1 The above consolidated financial results for the quarter ended September 30, 2014 were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on November 14, 2014.

2 In accordance with clause 41 of the Listing Agreement, the Company has opted to publish consolidated financial results. The Standalone financial results of the Company will be available on Company's website "www.gptinfra.in".

3 The above financial results have been prepared as per Accounting Standard - 21 on "Consolidated Financial Statement" and Accounting Standard - 27 on "Financial Reporting of Interest in Joint Ventures" incorporating therein financial results of GPT Infraprojects Limited, four subsidiaries and joint ventures.

4 In an earlier year, the Company had formed a special purpose vehicle (SPV) in form of a subsidiary (Jogbani Highway Private Limited) for execution of a BOT contract awarded by a customer. The subsidiary had entered into a concession agreement with the customer and had awarded an EPC contract to the Company. During the previous year, the subsidiary had terminated the concession agreement with the customer and has gone into arbitration mainly due to required land not being made available by the customer, resulting in termination of the EPC contract awarded to the Company. The Company is carrying assets of ₹ 1,687.82 lacs (net of liabilities of ₹ 535.91 lacs), including construction work in progress of ₹ 1,394.89 lacs and investments of ₹ 597.00 lacs as on September 30, 2014 pertaining to the above project. Since the matter has been referred to arbitration, the recoverability of the aforesaid net assets of the Company is subject to outcome of the said arbitration. The Management believes that the outcome of the arbitration shall result in recovery of the said cost on the facts of the case and as per the terms and conditions of the said concession agreement and accordingly no provision is considered necessary in the above financial results.

5 During a prior year, the Company had significantly completed execution of certain construction contracts under the terms of agreements with some government departments. Unbilled revenue and accrued price escalation aggregating ₹ 3,621.00 lacs, included in other current assets, are yet to be received

by the Company in respect of such contracts due to paucity of funds available with those customers. Based on regular follow ups with those customers, management is confident that the aforesaid amount is fully recoverable.

6 Dividend declared for the financial year 2013 - 14 in the last AGM could not be paid by reason of operation of law.

7 Effective from April 1, 2014, the Company has charged depreciation based on the revised remaining useful lives of the assets as per the requirement of Schedule II to the Companies Act, 2013. Due to above, depreciation charge for the quarter and half year ended September 30, 2014, is higher by ₹ 32.49 lacs and ₹ 99.22 lacs respectively. Further, based on transitional provision provided in Note 7(b) of Schedule II, an amount of ₹ 10.87 lacs (net of deferred tax of ₹ 5.22 lacs) has been adjusted with retained earnings.

8 Paid up Equity Share Capital of the Company excludes 200,000 equity shares amounting to ₹ 20.00 lacs issued to GPT Employees Welfare Trust for exercising the option under GPT Employees Stock Option Plan - 2009 ("the plan") which has been funded by interest free loan provided by the Company to the Trust. These have been considered as a part of Public Shareholdings in the above results. Till September 30, 2014 no option / shares has been granted to any of the employees under the plan.

9 Based on the activities undertaken, the Company has identified Infrastructure, Concrete Sleepers & Allied and Others as separate Business Segments.

10 There were no exceptional / extraordinary items during the respective periods / years reported above.

11 Previous period's / year figures have been regrouped / rearranged wherever considered necessary to conform to the current period's classification.
