CORPORATE SOCIAL RESPONSIBILITY POLICY OF GPT INFRAPROJECTS LIMITED

1. INTRODUCTION

- a. The Corporate Social Responsibility (CSR) Policy of the GPT Infraprojects Limited (GPT) is aligned with its overall commitment to maintaining the highest standards of business performance.
- b. The CSR commitment of GPT positions its social and environmental consciousness as an integral part of its business plan and its commitment to all its stakeholders including consumers, share holders, employees, local communities and the society at large.
- c. The policy has been formulated as *per* the provisions of section 135 of the Companies Act, 2013 (Act) read with Companies (Corporate Social Responsibility Policy) Rules, 2014 (Rules).

2. POLICY STATEMENT

The CSR Policy of GPT aims to achieve, consolidate and strengthen Good Corporate Governance including socially and environmentally responsible business practices that balance financial profit with social well being.

3. SCOPE AND APPROACH

- a. GPT is committed to the well being of the local communities and the society at large.
- b. The scope and approach of the CSR Policy of GPT is defined by the following considerations:
 - (i) GPT acknowledges that there are or can be **expected** and **unintended** outcomes and impact of its core business which is to manufacture Concrete Sleepers and do Civil Construction.
 - (ii) While the overall outcome of its work is a positive contribution to the economy and society at large, some of the impact could be negative in the short term.
 - (iii) Given the nature of its work the strongest impact of its activities is primarily on the environment and communities in the immediate vicinity of working activities.

c. The **geographic scope** of GPT's CSR work includes:

- (i) The immediate surroundings of its manufacturing units and Construction Sites.
- (ii) The district, town or city as a whole where its activities are located.
- (iii) The country as whole as part of GPT's contribution to national efforts towards social development of the communities at large.

4. STRATEGIES

The strategies for designing, implementing and monitoring the CSR activities of GPT are based on the existing good practice models in the country, sample activities suggested in the CSR Guidelines as well as the first hand experience of the GPT in implementing its CSR activities over the past years. These strategies will help in standardizing the CSR related processes, essential in the context of GPT which is spread across the country.

5. GOAL

The overall goal is to promote sustainable and inclusive development as a Responsible Corporate Citizen.

6. OBJECTIVES

This goal will be achieved through the following broad Objectives:
