- The above consolidated financial results for the quarter ended 30th June 2011 have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 12th August 2011.

 In accordance with clause 41 of the Listing Agreement, the Company has opted to publish consolidated financial results. The Standalone financial results reviewed by the statutory auditors of the Company will be available on Company's website "www.gptinfra.in".

 The above consolidated financial results have been prepared as per Accounting Standard 21 on "Consolidated Financial Statement" and Accounting Standard 27 on "Financial Reporting of Interest in Joint Ventures" incorporating therein financial results of GPT Infraprojects Limited, its four subsidiaries and nineteen joint ventures. 2

- 'Financial Reporting of Interest in Joint Ventures' incorporating therein financial results of GPT Infraprojects Limited, its four subsidiaries and nineteen joint ventures.

 Based on the activities undertaken, the Company has identified Concrete Sleeper & Allied, Civil & Core Infrastructure and Others as separate Business Segments.

 There were no exceptional / extraordinary items during the resective period reported above.

 Paid up Equity Share Capital of the Company excludes 2,00,000 equity shares amounting to Rs. 20.00 Lacs issued to GPT Employees Welfare Trust for exercising the option under GPT Employees Stock Option Plan 2009 which has been funded by interest free loan provided by the Company to the Trust, These have been considered as a part of Public Shareholdings in the above results.

 During the period the company has allotted 775,000 equity shares of Rs. 10/- each at a premium of Rs. 130/- per share upon conversion of 575,000 equity warrants of Rs. 140/- each and 200,000 compulsorily convertible preference shares of Rs. 140/- each as per the option for conversion exercised by the warrants holders as well as compulsorily convertible preference shares holders respectively.

 The utilisation of the issue proceeds from the above have been made towards long term working capital of the company, in terms of shareholder's approval vide resolution passed on 24th December 2009.

 During the quarter, the Company has implemented new ERP system and thus changed its method of valuation of raw materials, construction material and stores & spares parts inventories from "First in First out" to "Welghted Average" basis. Further, the management believes that such change in the method of valuation of inventories will result in a more appropriate presentation of these inventories and will give a systematic basis of charge for raw materials, construction material and stores & spares parts consumption and would be more representative of the time pattern in which the economic benefits will be derived from the use of such inv
