Limited Review Report

Review Report to
The Board of Directors
GPT Infraprojects Limited

- 1. We have reviewed the accompanying statement of unaudited financial results of GPT Infraprojects Limited ('the Company') for the quarter and nine months ended December 31, 2016 (the "Statement"). This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Attention is invited to the following matters;
 - a) note no. 5 of the Statement regarding unbilled revenue, accrued price escalations and trade receivables, on certain significantly completed construction contracts aggregating Rs. 3,582.69 lacs, which are yet to be billed / realised by the Company and that are largely outstanding for more than 3 years. Due to the uncertainties over the eventual billings / collections of the said amounts, we are unable to comment on the appropriateness or otherwise of the aforesaid balances being carried forward in these financial results including the extent of recoverability of the above asset balances and any other consequential impact that may arise in this regard.
 - b) note no. 6 of the Statement regarding loss of Rs. 11.41 lakhs and Rs. 7.00 lakhs for the quarter and nine months ended December 31, 2016, recognized in these results being the Company's share of loss in a joint venture operation, wherein the underlying construction contract is completed. Due to the uncertainties over eventual billings / collections of the Company's share of unbilled revenue and trade receivables lying in the books of aforesaid joint venture amounting to Rs 1,071.17 lacs, we are unable to comment on the extent of recoverability of such balances and the consequential impact on these results that may arise in this regard.
- 4. We did not review the financial results of joint venture operations included in the accompanying statement of unaudited financial results, which reflect the Company's share of Rs. 40.44 lacs and Rs 180.50 lacs in the net profit after tax of the joint ventures for the quarter and nine months ended December 31, 2016 respectively and is included

under 'Other Operating Income', on the basis of financial results subjected to limited review by other auditors whose related reports have been furnished to us. Our conclusion on the financial results, in so far as it relates to the affairs of such joint venture operations is based solely on the reports of the other auditors.

- 5. Based on our review conducted as above and on consideration of reports of other auditors on the unaudited separate financial results of joint ventures, except for the possible effects of the our observation in paragraph 3 (a) and 3 (b) above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 6. Without qualifying our conclusion, attention is drawn to discontinuation of execution of an EPC contract, which is subject matter of arbitration, as disclosed in note no. 4 of the Statement.
