2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is invited to note 8 to the unaudited standalone financial results regarding unbilled revenue, accrued price escalations and trade receivables, on certain completed construction contracts aggregating Rs 3,890.02 lacs, which are yet to be billed / realised by the Company and that are largely outstanding for more than 3 years. Due to the uncertainties over the eventual billings / collections of the said amounts, we are unable to comment on the appropriateness or otherwise of the aforesaid balances being carried forward in these financial results including the extent of recoverability of the above asset balances and any other consequential impact that may arise in this regard.
5. We did not review the financial information of twenty-nine (29) joint operations included in the accompanying unaudited standalone financial results of the Company whose financial statements and other financial information reflect Company's share of revenues of Rs 2,699.87 lacs and profit before tax of Rs 115.52 lacs for the quarter ended June 30, 2017. These financial statements and other financial information have been reviewed by other auditors, whose reports have been furnished to us. Our conclusion on the unaudited standalone financial results, in so far as it relates to the affairs of such joint operations is based solely on the reports of the other auditors. Our conclusion is not modified in respect of this matter.
6. Based on our review conducted as above and on consideration of reports of other auditors on the unaudited separate financial results of joint operations, except for the possible effects of the our observation in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements)

Accordingly, these unaudited financial results have been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting" and other accounting principles generally accepted in India.

- 7 The statutory auditor of the Company have drawn emphasis of matter in their audit report, on uncertainty around recovery of receivables for the following matters;
 - a. In an earlier year, the Company had incorporated a subsidiary (Jogbani Highway Private Limited) for execution of a BOT contract awarded by a customer. Subsequently, the subsidiary had terminated the concessional agreement with the customer and had referred the matter to arbitration on grounds of requiring land not made available by the customer. Consequently, the EPC contract awarded to the Company was also terminated. The Company is carrying net assets of ₹ 1,979.43 lacs, including investments of ₹ 597 lacs as on June 30, 2017 pertaining to the above project. Since the matter has been referred to arbitration, the recoverability of the aforesaid net assets of the Company is subject to outcome of the said arbitration.

Management intend to refer the matter to arbitration in case aforesaid claim is not accepted by the customer.

In respect of the matters referred in point no. (a) to (c) above, the management believes that the outcome of the arbitration/ negotiation with the customer, will be favourable and hence no provision is considered necessary in the above financial results.

- 8 In earlier years, the Company had significantly completed execution of certain construction contracts under the terms of agreements with some government departments. Unbilled revenue, accrued price escalation and trade receivables aggregating ₹ 3,890.02 lacs, are yet to be received by the Company in respect of such contracts due to paucity of funds available with those customers. The statutory auditors of the Company have expressed their inability to comment on the extent of recoverability / realisability of the above asset balances and have accordingly modified their audit report in this regard. Based on regular follow ups with those customers, management is confident that the aforesaid amount is fully recoverable.
