Forward-looking Statement

In this annual report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements – written and oral – that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31.03.2015

To,
The Members,
GPT Infraprojects Limited
GPT Centre, JC-25, Sector III
Salt Lake, Kolkata - 700 098

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by GPT Infraprojects Limited (hereinafter called "the company"). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I, hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31.03.2015 has complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by GPT Infraprojects Limited ("the Company") for the financial year ended on 31.03.2015 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

Management discussion and analysis

Review of the global economy

The global economy continued to grow at a slow pace with global output registering a growth of 3.4% in 2014, the same level as 2013. The advanced economies showed signs of moderate recovery by registering a growth of 1.8% in 2014 compared to 1.4% in 2013 with the US reporting a growth of 2.4% against 2.2% in 2013. The emerging economies slowed down with a registered growth of 4.6% in 2014 against 5% in 2013, largely on account of a slowdown in the Chinese economy.

Outlook: According to the World Economic Outlook, global growth prospects are uneven with the growth in the advanced economies is expected to strengthen while the growth will be challenging in the emerging economies. Overall, global growth is forecast at 3.5% in 2015 and 3.8% in 2016, broadly the same as last year. Global growth in 2015 will be driven by a rebound in advanced economies – forecast to increase from 1.8% last year to 2.4% this year – supported by the decline in oil prices.

Growth forecasts for most emerging and developing economies (with the important exception of India) are slightly challenging. Growth is projected to slow from 4.6% in 2014 to 4.3% in 2015.

Review of the Indian economy

Indian Economy is looking-up with brighter prospects amongst the world's major economies today. The growth rate in GDP at constant (2011-12) market prices in 2012-13 was 5.1%, which increased to 6.9% in 2013-14 and was recorded at 7.3% in 2014-15. According to the Economic Survey 2014-15, a slew of reform projects undertaken by the government is aiding the stronger growth of the economy. Various reform measures like de-regulation of diesel price, taxing energy products, replacing cooking gas subsidy by direct transfer on national scale, passing an Ordinance to reform the coal sector via auctions, and increasing the FDI caps in defence among others are few of the reasons for driving the growth of the country.

The growth in 2014-15 is largely driven by domestic demand. There is hardly any external support to growth in 2014-15, as the growth in exports is projected to be only 0.9% and the rate of imports declined around 0.5%.

The growth rate in Gross Value Added (GVA) at basic prices in agriculture is projected to decline from 3.7% in 2013-14, an exceptionally good previous year from the point of view

of rainfall, to 1.1% in 2014-15, the current year with not-so-favourable monsoon.

For the full 2014-15 fiscal, the production growth of eight sectors also slowed down to 3.5%, from 4.2% in previous financial year ended in March, 2014.

The year 2014-15 (April-December) witnessed a substantial decline in inflation. According to the Economic Survey 2014-15, the Average Wholesale Price Index (WPI) (base year 2004-05 = 100) inflation declined to 3.4% in 2014-15 (April-December) as compared to an average of 6% during 2013-14. The WPI inflation even breached the psychological level of 0% in November, 2014 and January, 2015.

Outlook: For the first time since 1999, India will outgrow China and its BRIC peers with a GDP growth of 7.5% in 2015 and the next, the International Monetary Fund (IMF) projections released Tuesday showed. Though India, a major oil importer, will be a big beneficiary of the decrease in global energy prices as it consequently is increasing real income and spending. India's growth is likely to improve from 7.2% in 2014 to 7.5% both in 2015 and 2016 while China's growth is projected to slip from 7.4% in 2014 to 6.8% this year and further down to 6.3% next year.

Indian infrastructure sector

A key driver of the economy, infrastructure is highly responsible for fuelling India's overall development. The government has already identified that growth in the infrastructure sector is imperative to drive a country's growth. India's infrastructure performance in 2014-15 was better than the previous fiscal year, as production of inputs including power, steel, coal and cement moved up. Other areas that showed improvement are fertilisers, refinery, goods traffic carried by railways, cargo handled at major sea ports, airports and net addition in telephone switching capacity.

Union Budget 2015-16 on infrastructure sector

- A big push for infrastructure sector with a significant ₹ 70,000 crore increase in investment.
- The government also plans to establish a National Investment and Infrastructure Fund (NIIF), and find money to ensure an annual flow of ₹ 20,000 crore to it. This will enable the trust

to raise debt and invest in equity of infrastructure finance companies such as the IRFC and NHB and the companies in turn can then leverage this extra equity manifold.

- Higher capital outlay for road and infrastructure sector to support infrastructure projects.
- Re-introduction of tax-free infrastructure bonds for projects in the rail, road and irrigation sectors.
- Setting up a Public Debt Management Agency (PDMA) to deepen the Indian Bond market to provide additional fund raising avenues for infrastructure sector.
- Appointment of an Expert Committee for preparing a draft legislation for replacing multiple prior permissions with a pre-existing regulatory mechanism.
- Steps to rebalance risks for PPP mode of infrastructure development including sovereign bearing a major part of the risk.
- Incentives for REITs and INVITs, including allowing rental income to be pass through and taxed at the unit holders of REIT
- Housing for all by 2022, the government has set a target of constructing 60 million affordable houses in urban and rural areas

- Setting up five new Ultra Mega Power Projects (UMPPs), each of 4,000 MWs, in the plug-and-play mode (all clearances and linkages in place before the project is awarded).

Road

India has an extensive road network of 4.86 million kms, the second largest in the world. More than 60% of freight and 90% of passenger traffic in the country is handled by road. With automobiles and freight movement also growing at a rapid rate, the necessity for a robust road network is important to carry the traffic. The government of India has launched major initiatives to upgrade and strengthen highways and expressways in the country. It has set aside 20% of the investment of US\$ 1 trillion reserved for infrastructure during the 12th Five-Year Plan (2012–17) to develop the country's roads. It is expected that the National highways are expected to reach 100,000 kilometres by the end of the 2017 from 92,850 kilometres in FY14.

The value of roadways and bridge infrastructure in India is expected to grow at a CAGR of 17.4% between 2012-17, to reach USD 10 billion.

Indian road network

Roads* (Total length: 4.86 million Kms)

State highways	National Highways	District and rural roads
Total length: 142,687 kms Share: 2.9% of the total roads in India	Total length: 92,851 kms Share: 1.9% of the total roads in India	Total length: 4,649,462 kms Share: 95.2% of the total roads in India

Budget 2015-16

- Total budgetary allocation for the sector increased by ₹ 140.31 billion (27%) to ₹ 662.7 billion in FY 16 from ₹ 522.39 billion in FY 15.
- Conversion of existing excise duty on petrol and diesel to the extent of ₹ 4 per litre into road cess, which will bring additional ₹ 400 billion to fund investment in roads and other infrastructure.
- Revisiting PPP model with risk rebalancing wherein government will bear a major part of the risk.
- Setting up National Infrastructure Fund (NIF)
- Announcement of tax-free infra bonds for road sector projects.
- Proposal to introduce Public Contracts (Resolution of Disputes) Bill for speedy dispute resolution.

Going ahead, the government's willingness to bear the majority of risks is expected to result in a higher EPC projects in the coming years. Awarding projects only after acquiring land and requisite approvals (plug and play projects) will significantly reduce execution delays and thereby attract higher private sector participation. Thrust on PMGSY through building additional 100,000 Km of roads is another remarkable shift and will boost the road connectivity in the country.

Road ahead

The Indian government plans to develop a total of 66,117 km of roads under different programmes such as National Highways Development Project (NHDP), Special Accelerated Road Development Programme in North East (SARDP-NE) and Left Wing Extremism (LWE) and has set an objective of building 30 km of road a day from 2016.

Railways

The Indian Railways is among the world's largest railway networks and has emerged as the main vehicle for the country's socio economic development. It caters to the transportation needs of the country, while also bringing together the diverse geographies and assisting in promoting national integration. The railway network is also ideal for long-distance travel and movement of bulk commodities, apart from being an energy efficient and economic mode of conveyance and transport. The 64,600-km network is spread across 7,146 stations, with 19,000 trains operating the routes daily. India's railway network is recognised as one of the largest railway systems in the world under single management. It has taken swift steps to enable foreign direct investment (FDI) in railways to improve infrastructure for freight and high-speed trains. At present, private sector companies are also looking to invest in rail projects.

The total approximate earnings of Indian Railways on originating basis during April 1, 2014 to January 31, 2015 were ₹ 128,928.28 crore (US\$ 20.41 billion) compared to ₹ 114,428.52 crore (US\$ 18.12 billion) during the same period last year, reflecting an increase of 12.67%. The total approximate earnings from goods during April 1, 2014 – January 31, 2015 increased 12.35% to ₹ 87,291.87 crore (US\$ 13.82 billion) compared to ₹ 77,694.07 crore (US\$ 12.31 billion) during the same period last year. The total approximate revenue earnings from passengers during April 1, 2014 – January 31, 2015 were ₹ 35,309.81 crore (US\$ 5.59 billion) compared to ₹ 30,723.44 crore (US\$ 4.86 billion) during the same period last year, registering an increase of 14.93%.

Indian Railways carried 906.36 million tones (MT) of revenue earning freight traffic during April 2014 to January 2015. The freight carried shows an increase of 40.22 MT over the freight traffic of 866.14 MT actually carried during the corresponding period last year, registering an increase of 4.64%.

Budget 2015-16

- ₹ 8.5 lakh crore will be invested in Railways in next 5 years.
- Speed on nine railway corridors to go up to 200 km per hour.
- Around 917 road under-bridges and over-bridges to be constructed to replace 3,438 railway crossings; at a cost of ₹ 6,581 crore.
- Fast-track sanctioned works on 7,000 kms of double/third/fourth lines

- Commissioning 1200 km in 2015-16 at an investment of ₹ 8,686 crore, 84% higher Y-O-Y.
- Commissioning 800 km of gauge conversion targeted in current fiscal.
- Around 77 projects covering 9,400 km of doubling/tripling/quadrupling works along with electrification, covering almost all States, at a cost of ₹ 96,182 crore, which is over 2700% higher in terms of amount sanctioned.
- Freight Corridor (DFC); 55 km section of Eastern DFC to be completed in the current year.

Road ahead

The already massive network of the Indian Railways is growing at a healthy rate, given the rise in population and a growing economy that offers immense growth potential. In the next five years, the Indian railway market will be the 3rd largest, accounting for 10% of the global market, with Metro rail going to be 70% of the railway market in India.

Ports

India has 13 major ports and about 200 non-major ports. Cargo traffic, which was 976 million metric tonnes (MMT) in 2012 is expected to reach 1,758 MMT by 2017. The Indian ports and shipping industry plays a vital role in sustaining growth in the country's trade and commerce. India currently ranks 16th among maritime countries, with a coastline of about 7,517 km. Around 95% of India's trade by volume and 70% by value takes place through maritime transport, according to the Ministry of Shipping.

The Indian government continues to support the ports sector. It has allowed foreign direct investment (FDI) of up to 100% under the automatic route for projects regarding construction and maintenance of ports and harbours. It has also facilitated a 10-year tax holiday to enterprises engaged in developing, maintaining and operating ports, inland waterways and inland ports.

Significantly, publicly owned major ports in India reported healthy levels of container throughput growth during April 2014 to February 2015, the first 11 months of fiscal year 2014-15, compared to the volumes in the previous year, according to the latest provisional figures compiled by JOC.com. Container-handling in the 11-month period expanded 7.15% year-over-year to 7.25 million 20-foot-equivalent units from 6.77 million TEUs in the same period of 2013-14. Containerised cargo tonnage grew 4.4% to 109 million tons from 104 million tons.

Budget 2015-16

- Public Sector Ports to be encouraged to corporatize and become companies under the Companies Act.
- To set up plug-and-play projects in infrastructure ports

Road ahead

The Government of India has set an ambitious target to convert 101 rivers across the nation into waterways in order to promoting water transport to propel economic growth.

The Indian government will develop 10 coastal economic regions as part of plans to revive the country's Sagarmala (string of ports) project, according to the Daily Shipping Times. The zones will be manufacturing hubs supported by port modernization projects and could cover 300-500 km of coastline. The government is also looking to develop the inland waterway sector as an alternative to road and rail transport for getting goods to the nation's ports and is hoping to attract private investment into the sector.

Also, the Government has decided to set up two new major ports, one each at Sagar in West Bengal and the other at Dugarajapatnam in Nellore district of Andhra Pradesh.

Airports

The Indian civil aviation industry is on a high growth trajectory. India has a vision of becoming the third largest aviation market by 2020 and is expected to be the largest by 2030. The civil aviation industry in India has ushered in a new era of expansion driven by factors such as low-cost carriers (LCC), modern airports, foreign direct investments (FDI) in domestic airlines, cutting edge information technology (IT) interventions and a growing emphasis on regional connectivity. In terms of market size, the Indian civil aviation industry is amongst the top 10 in the world with a size of around US\$ 16 billion.

Air passenger traffic was up 8% in 2014 when compared to 2013, growing only behind China and Russia. The growth in air passenger traffic can be attributed to the large number of low cost sales and first time fliers in India.

Indian carriers will require 1,290 new passenger aircraft valued at \$190 billion between now and 2032 to satisfy surging demand, according to a market forecast released by Airbus.

Budget 2016-17

- Tourism boosting efforts like gradually increasing the number of countries covered under on-arrival visas to 150 from current 43.
- Withdrawal of service tax exemption on construction,

erection, commissioning or installation of original works pertaining to an airport.

- Service tax would be now payable on 60% of the fare for business/ first class as against 40% earlier.

Road ahead

India plans to increase the number of operational airports to 250 by the year 2030. The Airports Authority of India plans to spend USD 1.3 billion on non-metro projects between 2013 and 2017, focusing on the modernisation and upgradation of airports.

Power

The Indian power sector is one of the most diversified in the world. Sources for power generation range from conventional ones such as coal, lignite, natural gas, oil, hydro and nuclear power to other viable non-conventional sources such as wind, solar, and agriculture and domestic waste. The demand for electricity in the country has been growing at a rapid rate and is expected to grow further in the years to come. In order to meet the increasing requirement of electricity, massive addition to the installed generating capacity in the country is required.

India's installed power capacity as on 30th April 2015 stood at 272,687 MW of which thermal comprises 69.5% of the total capacity. The electricity generation target for the year 2015-2016 was fixed as 1137.5 Billion Unit (BU) i.e. growth of around 8.54% over actual generation of 1048.673 for the previous year (2014-2015). The generation during (2014-15) was 1048.403 BU as compared to 967.150 BU generated during April- March 2014, representing a growth of about 8.43%.

Budget 2015-16

- Announcement of five coal based Ultra Mega Power Projects (UMPPs) to be awarded with all approvals in place.
- Scale up in renewable energy capacity addition programme to 175 GW by FY 2022.
- Formation of National Investment Infrastructure Fund announced.
- Revitalisation of projects under the PPP mode by greater risk sharing by the sovereign to encourage investments in Infrastructure sector.
- Increase in clean energy cess on coal from ₹100/MT to ₹200/MT.

Road ahead

The Indian power sector has an investment potential of ₹15 trillion (US\$ 237.35 billion) in the next 4-5 years, providing

immense opportunities in power generation, distribution, transmission and equipment. The immediate goal of the government is to produce two trillion units (kilowatt hours) of energy by 2019. This will mean doubling the current production capacity in order to achieve for providing 24x7 electricity for residential, industrial, commercial and agricultural use.

The government had revised the National Solar Mission with target of 100,000 MW capacity by 2022. The government has also sought to restart stalled hydro power projects and increased the wind energy target from 20 GW to 60 GW by 2022.

Business segment review

Concrete sleeper

Revenue: ₹28.57 crore in 2014-15

EBIDTA: ₹0.88 crore in 2014-15

Overview

GPT is among the pioneers in India for pre-stressed concrete sleepers. Using the indigenous 'stressbench' production system, the Company also pioneered the exports of concrete sleepers.

The Company has created an integrated business model where it carries out activities starting from design of the track super structure to the manufacture of concrete sleepers. The Company's strategically located Panagarh unit in West Bengal caters to the demand for both the Indian Railways and other non-railway demands. It is the largest single location sleeper manufacturing unit with a capacity of 480,000 units. The Company is one of the preferred suppliers for Indian Railways, IRCON, RITES, SAIL, NTPC, Tata Steel and DVC, among others.

The Company's offerings include concrete sleepers for mainline, curves, bridges, level crossings, points and crossing.

Infrastructure business

Revenue: ₹205.42 crore in 2014-15

EBIDTA: ₹48.20 crore in 2014-15

Order book: ₹1574 crore as on 31st March 2015

Overview

With the government's focus on the infrastructure development as one of the keys to restore economic growth, GPT is well-positioned to capitalize on the opportunities in the country's infrastructure sector. The Company has a strong presence in the railways sector and is among the few in the country

to execute riverine bridges foundation-to-finish capabilities. Besides, the Company is engaged in areas like road and industrial infrastructure among others.

Finance review

Revenue: The Company reported a revenue of ₹249.23 crore in 2014-15 against ₹328.62 crores in 2014 - 15. Turnover reduced due to recession in infrastructure sector.

Raw material: GPT's key required raw materials include cement, sand and steel, among others. The Company has a dedicated quality control team looking after the incoming raw materials. Raw material cost for the year stood at ₹81.58 crore in 2014-15 against ₹130.78 crore in 2013-14. Raw material cost as a proportion of revenue stood at 32.73% in 2014-15 against 39.80% in 2013-14 owing to stringent raw material management and better negotiation with the vendors.

Fuel cost: Fuel cost to sales stood at 3.43% in 2014-15 compared to 3.04% in 2013-14.

Employee cost: Employee cost for the Company decreased 4.06% from ₹20.87 crore in 2013-14 to ₹20.03 crore in 2014-15.

Independent Auditor's Report

To the Members of GPT Infraprojects Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of GPT Infraprojects Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, in which are incorporated the returns for the year ended on that date audited by the branch auditors of the Company's branch at Mozambique.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit

evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for qualified opinion

Attention is invited to note 27(C) to the standalone financial statements regarding unbilled revenue, accrued price escalations and trade receivables on certain significantly completed construction and supply contracts aggregating ₹3,645.91 lacs, which are yet to be billed/ realised by the Company and that are largely outstanding for more than 2 years. Due to the uncertainty over the eventual billings/collections of the said amounts, we are unable to comment on the appropriateness or otherwise of the aforesaid transactions being carried forward in these financial statements including the extent of recoverability of the above asset balances and any other consequential impact that may arise in this regard.

Qualified opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, the attached standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015, of its profit and its cash flows for the year ended on that date.

Emphasis of Matter

Without qualifying our opinion, attention is drawn to note no. 27(B) of the standalone financial statements regarding discontinuation of execution of an EPC contract by the Company (such contract was received from its subsidiary) pursuant to the termination of a

concession agreement between the subsidiary and its customer and the uncertainty on recoverability of net assets aggregating ₹1,866.83 lacs as at March 31, 2015. Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and, except for the matters described in the Basis for Qualified Opinion and Emphasis of Matter paragraphs above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - (c) The report on the accounts of the foreign project site of the Company audited under section 143 (8) of the Act by the branch auditor has been sent to us and have been properly dealt by us in preparing this report;
 - (d) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from branches not visited by us;
 - (e) Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (f) The matters described in the Basis for Qualified Opinion and Emphasis of Matter paragraphs above and paragraph (vii) of the attached Annexure as referred to in paragraph 1 above, in our opinion, may have an adverse effect on the functioning of the Company;
 - (g) On the basis of written representations received from the directors as on March 31, 2015, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of section 164 (2) of the Companies Act, 2013;
 - (h) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in

the Basis for Qualified Opinion paragraph above.

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 27(A) and 27(B) to the financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Note 35 to the financial statements;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Other Matters

1. We did not audit financial statements of the Company's joint ventures, whose financial statements reflect the Company's share of ₹431.73 lacs in the net profit of the joint ventures for the year ended March 31, 2015. Those financial statements and other financial information have been audited by other auditors whose report has been furnished to us. Our opinion, in so far as it relates to the share of profit of the joint ventures, is based solely on the reports of other auditors. Our opinion is not qualified in respect of this matter.
2. We did not audit total assets of ₹1,096.90 lacs as at March 31, 2015, total revenues of ₹321.02 lacs, profit before tax ₹303.38 lacs and net cash outflows amounting to ₹5.03 lacs for the year then ended, included in the accompanying financial statements in respect of a foreign project site not visited by us, whose financial statements and other financial information have been audited by another auditor and whose report has been furnished to us. Our opinion, in so far as it relates to the affairs of such foreign project site is based solely on the report of another auditor. Our opinion is not qualified in respect of this matter.

Annexure referred to in paragraph 1 under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of GPT Infraprojects Limited as at and for the year ended March 31, 2015

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets, except for Steel Shutterings at the various construction sites of the Company.
- (b) All fixed assets have not been physically verified by the management during the year but there is a planned programme of verifying each item of fixed assets once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year.
- (b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company is maintaining proper records of inventory and no material discrepancies were noticed on their physical verification.
- (iii) (a) The Company has granted loans to two Companies, including a wholly owned subsidiary, covered in the register maintained under section 189 of the Companies Act, 2013. The maximum amount involved during the year for such loans granted was ₹2,800 lacs and the year-end balance was ₹316.68 lacs. The loans granted and interests thereon are repayable on demand. We have been informed that the Companies to whom loans have been granted are regular in repayment of principal and interest thereon whenever demanded.
- (b) There is no overdue amount of loans granted to Companies, firms or other parties listed in the register maintained under section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods and services. During the course of our audit, we have not observed any major weakness or continuing failure to correct any major weakness in the internal control system of the Company in respect of these areas.
- (v) The Company has not accepted any deposits from the public.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) Undisputed statutory dues including sales tax, wealth tax, customs duty and value added tax have generally been regularly deposited with the appropriate authorities. However, such dues for provident fund, employees' state insurance, income-tax, service tax, excise duty, and other material statutory dues have not been regularly deposited with the appropriate authorities and there have been serious delays in large number of cases.
- (b) According to the information and explanations given to us, undisputed dues in respect of provident fund, employees' state insurance, income-tax, wealth-tax, service tax, sales-tax, customs duty, excise duty, value added tax, cess and other material statutory dues which were outstanding, at the year end, for a period of more than six months from the date they became payable, are as follows:

- (d) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company, during the year in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder.
- (viii) Without considering the consequential effects, if any, of the matters stated in the basis for qualified opinion paragraph of our auditors' report, the Company has no accumulated losses at the end of the financial year and it has not incurred cash losses in the current financial year. The Company has not incurred cash losses in the immediately preceding financial year.
- (ix) Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to banks. During the year, the Company did not have any outstanding debentures or dues to a financial institution.
- (x) According to the information and explanations given to us, the Company has given corporate guarantees for loans taken by a subsidiary company from banks, the terms and conditions whereof, in our opinion, are not prima-facie prejudicial to the interest of the Company. According to the information and explanations given to us, the Company

has not given any guarantees for loans taken by others from financial institutions.

- (xi) Based on the information and explanations given to us by the management, term loans were applied for the purpose for which these loans were obtained except for a term loan of ₹2,000 lacs received during the year, out of which ₹1,064 lacs has been temporarily utilized by the Company for advancing loans to its group Companies including a wholly owned subsidiary.
- (xii) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that no fraud on or by the Company has been noticed or reported during the year.

Notes to the Financial Statements as at and for the year ended 31st March 2015

1. Corporate information

GPT Infraprojects Limited (the Company) is a listed public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is primarily engaged in Construction Activities for Infrastructure projects. Besides, the Company is also engaged in Concrete Sleeper Manufacturing business.

2. Summary of significant accounting policies

a) Basis of preparation of accounts

The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared under the historical cost convention on an accrual basis. Except otherwise mentioned, the accounting policies applied by the Company are consistent with those used in the previous year.

b) Change in accounting policy

Till the year ended 31st March 2014, Schedule XIV to the Companies Act, 1956, prescribed requirements concerning depreciation of fixed assets. From the current year, Schedule XIV has been replaced by Schedule II to the Companies Act, 2013. The applicability of Schedule II has resulted in changes related to depreciation of fixed assets. Unless stated otherwise, the impact mentioned for the current year is likely to hold good for future years also.

Till the year ended 31st March 2014, depreciation rates prescribed under Schedule XIV were treated as minimum rates and the Company was not allowed to charge depreciation at lower rates even if such lower rates were justified by the estimated useful life of the asset. Schedule II to the Companies Act 2013 prescribes useful lives for fixed assets which, in many cases, are different from lives prescribed under the erstwhile Schedule XIV. However, Schedule II allows companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported and justification for difference is disclosed in the financial statements.

Considering the applicability of Schedule II, the management has re-estimated useful lives and residual values of all its fixed assets, accordingly, depreciation charge for the current year is higher by ₹160.23 lacs as compared to previous year. Further, based on transitional provision provided in Note 7(b) of Schedule II, an amount of ₹13.91 lacs (net of deferred tax of ₹6.22 lacs) has been adjusted with retained earnings. The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets.

c) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods.

d) Tangible Fixed Assets

Tangible Fixed assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. The Cost of acquisition comprises purchase price inclusive of duties (net of CENVAT / VAT), taxes, directly attributable incidental expenses, erection / commissioning expenses, borrowing cost if capitalization criteria are met, etc. incurred upto the date the asset is ready for its intended use.

Machinery Spares which can be used only in connection with a particular item of Fixed Assets and whose use, as per the technical assessment, is expected to be irregular are capitalized and depreciated proportionately over the residual life of the respective assets.

Gain or losses arising from derecognition of tangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss when the assets are derecognized.

Notes to the Financial Statements as at and for the year ended 31st March 2015

From accounting periods commencing on or after 1st April, 2011, the Company adjusts exchange differences arising on translation / settlement of long-term foreign currency monetary items pertaining to the acquisition of a depreciable asset to the cost of the asset and depreciates the same over the remaining life of the asset.

e) Intangible Fixed Assets

Intangible assets are carried at cost of acquisition less accumulated amortization and impairment losses, if any. The Cost of acquisition comprises purchase price inclusive of duties (net of CENVAT / VAT), taxes, etc.

Computer softwares not being part of the hardware operating system are assessed to have a useful life of 3 years and are capitalized as intangible fixed assets.

Gain or losses arising from derecognition of intangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss when the assets are derecognized.

f) Depreciation & Amortization

Tangible Fixed Assets

- i. The classification of Plant and Machinery into continuous and non-continuous process is done as per technical certification and depreciation thereon is provided accordingly.
- ii. Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management which is in line with the useful lives as specified in Schedule II to the Companies Act, 2013, except for the following class of assets where management has estimated useful life based on management's technical evaluation:
 - Steel Shutterings are depreciated over a period of five years from the year of addition. No specific useful life for such class of assets has been indicated in Schedule II.
- iii. Depreciation on Insurance Spares / standby equipments is provided over the useful lives of the respective mother assets.
- iv. Depreciation on fixed assets added / disposed off during the year, is provided on pro-rata basis with reference to the date of addition / disposal.

Intangible Fixed Assets

Computer softwares capitalized as intangible fixed assets are amortized on a straight line basis over their useful life of 3 years.

g) Impairment of tangible and intangible fixed assets

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which is the greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre- tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets.

h) Leases

Finance Leases, which effectively transfer to the Company, substantially, all the risks and benefits incidental to the ownership of the leased items, are capitalized at the lower of the fair value and present value of the minimum lease payment at the inception of lease term and disclosed as leased assets.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

i) Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Notes to the Financial Statements as at and for the year ended 31st March 2015

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

j) Investments

Investments that are readily realizable and intended to be held for not more than a year from the date on which such investments are made are classified as current investments. All other investments are classified as long-term investments. Long term investments are considered at cost, unless there is an "other than temporary" decline in value thereof, in which case, adequate provision for diminution is made in the financial statements. Current Investments are carried at lower of cost and fair value on an individual investment basis.

k) Inventories

- (i) Closing stock of stores and spares and raw materials (except for those relating to construction activities) are valued at lower of cost computed on 'Weighted Average' basis and net realizable value. However, materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes expenses incidental to procurement thereof.
- (ii) Finished goods and work in progress (except for those relating to construction activities) are valued at the lower of cost (computed on weighted average basis) and net realizable value. Costs in respect of finished goods include direct material, labour and an appropriate portion of overhead costs and excise duty.
- (iii) Construction work in progress is valued at cost. However, in case of contracts where losses are likely to occur, the stock is considered at net realizable value. Costs include materials, labour and an appropriate portion of construction overheads.
- (iv) Stores, components, etc. and construction materials at sites to be used in contracts are valued at cost which is ascertained on 'Weighted Average' basis.
- (v) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

l) Revenue recognition

(i) Construction contracts

Revenue on construction contracts is recognized on percentage completion method based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bears to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies, which being technical matters have been relied upon by the auditors. Revisions in projected profit or loss arising from change in estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements as the effect thereof cannot be accurately determined.

Overhead expenses representing indirect costs that cannot be directly aligned with the jobs, are distributed over the various contracts on a pro-rata basis.

(ii) Sale of Goods

Revenue from sale of goods is recognized on passage of title thereof to the customers, which generally coincides with delivery. Sales are net of taxes, returns, claims, trade discounts etc. Revenue is recognized when the significant risks and rewards of ownership of the goods get passed to the buyer.

(iii) Income from Services

Revenues from operation and maintenance contracts are recognized on rendering of services as per the terms of contract.

(iv) Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Notes to the Financial Statements as at and for the year ended 31st March 2015

m) Foreign currency translations

(i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

(iii) Exchange Differences

Exchange differences, in respect of accounting periods commencing from 1st April 2011, arising on reporting of long-term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to the acquisition of a depreciable capital asset, are added to or deducted from the cost of the asset and are depreciated over the balance life of the asset, and in other cases, such exchange differences are accumulated in a "Foreign Currency Monetary Items Translation Difference Account" and amortised over the balance period of such long-term asset / liability.

Exchange differences arising on the settlement or reporting of monetary items, not covered above, at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, are recognized as income or expenses in the period in which they arise.

(iv) Forward Exchange Contracts not intended for trading or speculation purposes.

The premium or discount arising at the inception of forward exchange contracts is amortized as expenses or income over the life of the respective contracts. Exchange differences on such contracts, except the contracts which are long term foreign currency monetary items, are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or expense for the year. Any gain/loss arising on forward contracts which are long term foreign currency monetary items is recognized in accordance with paragraph 2 (m) (iii) above.

(v) Derivatives Instruments:

As per ICAI announcement, accounting for derivative contracts, other than those covered under AS-11, are marked to market on a portfolio basis, and the net loss after considering the offsetting effect on the underlying hedge item is charged to the statement of profit and loss. Net gains are ignored.

(vi) Translation of Integral foreign operations

The financial statements of an integral foreign operation are translated as if the transactions of the foreign operation have been those of the Company itself.

(vii) Translation of Non-integral foreign operations

Exchange differences arising on a monetary item that, in substance, forms part of the Company's net investment in a non-integral foreign operations are accumulated in the foreign currency translation reserve until the disposal of the net investment. On the disposal of such net investment, the cumulative amount of the exchange differences which have been deferred and which relate to that investment is recognized as income or as expenses in the same period in which the gain or loss on disposal is recognized.

n) Retirement and other employee benefits

Retirement benefits in the form of Provident Fund is a defined contribution scheme. The Company recognizes contribution payable to provident fund scheme as an expenditure on rendering of related service by employees. There are no obligations other than the contribution payable to the fund. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution

Notes to the Financial Statements as at and for the year ended 31st March 2015

already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset.

Gratuity (funded) being defined benefit obligation and long term compensated absences (unfunded) are provided for based on actuarial valuation made at the end of each financial year using the projected unit credit method.

Actuarial gain and losses are recognized immediately in the Statement of Profit and Loss as income or expenses.

o) Income Taxes

Tax expense comprises current and deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realized against future taxable profits.

The carrying amounts of deferred tax assets are reviewed at each Balance Sheet date. The Company writes down the carrying amount of the deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax assets can be realized. Any such write down is reversed to the extent it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

p) Employee Stock Compensation Cost

Measurement and disclosure of the employee share-based payment plans is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India. The Company measures compensation cost relating to employee stock options using the intrinsic value method. Compensation expense is amortized over the vesting period of the option on a straight line basis.

q) Segment Reporting

(i) Identification of Segments

The Company has identified that its business segments are the primary segments. The Company's businesses are organized and managed separately according to the nature of activity, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

(ii) Inter segment Transfers

The Company generally accounts for intersegment sales and transfers as if the sales or transfers were to third parties at current market prices.

(iii) Allocation of common costs

Common allocable costs are allocated to each segment on case to case basis applying the ratio, appropriate to each relevant case. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis, have been included under the head "Unallocated – Common".

(iv) Segment Policies

The accounting policies adopted for segment reporting are in line with those of the Company.

r) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

Notes to the Financial Statements as at and for the year ended 31st March 2015

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s) Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions made in terms of Accounting Standard 29 are not discounted to their present value and are determined based on management estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and appropriately adjusted to reflect the current management estimates.

Provision for warranties cost is based on the claims received upto the year end as well as the management estimates of further liability to be incurred in this regard during the warranty period.

t) Cash and Cash Equivalents

Cash and cash equivalents as indicated in the Cash Flow Statement comprises cash at bank and on hand and short-term investments with an original maturity of three months or less.

u) Accounting for interests in joint ventures

In respect of joint ventures entered into with other parties in the form of 'integrated joint ventures', the accounting treatment is done as below in terms of Accounting Standard 27 notified by the Companies Accounting Standards Rules, 2006 (as amended) :

- (i) Company's share in profits and losses is accounted for on determination of profits or losses by the Joint Ventures;
- (ii) Investments are carried at cost, net of the Company's share of profits or losses, recognized in the accounts.

v) Measurement of EBITDA

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the Company has elected to present earnings before interest, tax expenses, depreciation and amortization expenses (EBITDA) as a separate line item on the face of the statement of profit and loss. The Company measures EBITDA on the basis of profit from continuing operations. In its measurement, the Company does not include depreciation and amortization expenses, interest and tax expenses.

w) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

(B) In an earlier year, the Company had formed a special purpose vehicle (SPV) in form of a subsidiary (Jogbani Highway Private Limited) for execution of a BOT contract awarded by a customer. The subsidiary had entered into a concession agreement with the customer and had awarded an EPC contract to the Company. During the previous year, the subsidiary had terminated the concession agreement with the customer and had gone into arbitration mainly due to required land not being made available by the customer, resulting in termination of the EPC contract awarded to the Company. The Company is carrying assets of ₹1,866.83 lacs (net of liabilities of ₹511.16 lacs), including construction work in progress of ₹1,394.89 lacs and investments of ₹597.00 lacs as on the Balance Sheet date pertaining to the above project. Since the matter has been referred to arbitration, the recoverability of the aforesaid net assets of the Company is subject to outcome of the said arbitration. The Management believes that the outcome of the arbitration shall result in recovery of the said cost on the facts of the case and as per the terms and conditions of the said concession agreement and accordingly no provision is considered necessary in the financial statements.

Notes to the Financial Statements as at and for the year ended 31st March 2015

(C) During earlier years, the Company had significantly completed execution of certain construction and supply contracts under the terms of agreements with some government departments. Unbilled revenue, accrued price escalations and trade receivables aggregating ₹3,645.91 lacs, included in other current assets and trade receivables, are yet to be received by the Company in respect of such contracts due to paucity of funds available with those customers. Based on regular follow ups with those customers, management is confident that the aforesaid amount is fully recoverable.

28. CAPITAL AND OTHER COMMITMENTS

(₹ in lacs)

Particulars	As at 31st March 2015	As at 31st March 2014
Estimated amount of contracts remaining to be executed on Capital Account and not provided for (net of advances)	21.99	10.82

29. (a) The Company had introduced an Employee Stock Option Plan (ESOP) in the name and style of GPT Employee Stock Option Plan-2009 (ESOP scheme) in the year 2009 - 10. On the basis of such scheme, 2,00,000 equity shares of the Company were allotted to an Employees' Welfare Trust namely GPT Employees' Welfare Trust ("the trust") on 2nd January 2010. During the year, the Nomination and Remuneration Committee in its meeting held on 29th May 2014 approved the proposal for grant of options under the aforesaid scheme to the eligible employees of the Company for the said 2,00,000 shares. None of the grantees / eligible employees accepted the grant within the prescribed acceptance period. Under the circumstances, the Board, as recommended by the Nomination and Remuneration Committee, in their meeting held on 12th February, 2015 dissolved the said ESOP Scheme.

(b) Further, the Company had given ₹200.00 lacs during 2009 - 10 by way of interest free loan to M/s. GPT Employees Welfare Trust. The Trust has refunded ₹2.00 lacs (31st March 2014 : ₹1.80 lacs) to the Company during the year. The Trust can sell the shares held by it in the secondary market through stock exchange and the sale proceeds so generated can be utilised for the repayment of the outstanding loan granted by the Company to the Trust and the balance fund can be utilised for the general benefit of the employees as stated in the GPT Employees Welfare Trust Deed. As per Guidance Note on Accounting for Employee Share based Payments issued by the Institute of Chartered Accountants of India, the above loan has been adjusted to the extent of ₹20.00 lacs (31st March 2014 : ₹20.00 lacs) in equity share capital and balance ₹166.70 lacs (31st March 2014 : ₹168.70 lacs) in the securities premium account.

Independent Auditor's Report

To the Members of GPT Infraprojects Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of GPT Infraprojects Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its joint controlled entities comprising the consolidated Balance Sheet as at March 31, 2015, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraphs (a) and (b) of the Other Matters below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis for qualified opinion

Attention is invited to note 27(C) to the consolidated financial statements regarding unbilled revenue, accrued price escalations and trade receivables on certain significantly completed construction and supply contracts of the Holding

Company aggregating ₹3,645.91 lacs, which are yet to be billed / realised by the Holding Company and that are largely outstanding for more than 2 years. Due to the uncertainty over the eventual billings / collections of the said amounts, we are unable to comment on the appropriateness or otherwise of the aforesaid transactions being carried forward in these consolidated financial statements including the extent of recoverability of the above asset balances and any other consequential impact that may arise in this regard.

Qualified opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of consolidated state of affairs of the Group as at March 31, 2015, of their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

Without qualifying our opinion, attention is drawn to note no. 27(B) of the accompanying consolidated financial statements regarding discontinuation of execution of an EPC contract by the Holding Company (such contract was received from its subsidiary) pursuant to the termination of a concession agreement between the subsidiary and its customer and the uncertainty on recoverability of net assets aggregating ₹1,983.12 lacs as at March 31, 2015. Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on the comments in the auditor's report of the Holding company and its subsidiaries incorporated in India, to whom the Order applies, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, to the extent applicable, we report that:
 - (a) We / the other auditors whose reports we have relied

upon, except for the matters described in the Basis for Qualified Opinion and Emphasis of Matter paragraphs above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- (b) Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, in our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as appears from our examination of those books and the reports of the other auditors;
- (c) The reports on the accounts of the foreign project site of the Holding Company audited under Section 143 (8) of the Act by branch auditors have been sent to us and have been properly dealt with in preparing this report;
- (d) The consolidated Balance Sheet, consolidated Statement of Profit and Loss, and consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (e) Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (f) The matters described in the Basis for Qualified Opinion and Emphasis of Matter paragraphs above and paragraph (vii) of the attached Annexure as referred to in paragraph 1 above, in our opinion, may have an adverse effect on the functioning of the Group;
- (g) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2015 taken on record by the Board of Directors of the Holding Company and the reports of the auditors who are appointed under Section 139 of the Act, of its subsidiary companies incorporated in India, none of the directors of the Group's companies incorporated in India is disqualified as on March 31, 2015 from being appointed as a director in terms of Section 164 (2) of the Act;
- (h) The qualification relating to the maintenance of

accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above;

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group – Refer Note 27(A) and 27(B) to the consolidated financial statements;
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There are no amounts which were required to be transferred, during the year to the Investor Education and Protection Fund by the Holding Company and its subsidiaries incorporated in India.

Other Matters

- (a) We did not audit total assets of ₹19,357.99 lacs as at March 31, 2015, total revenues of ₹17,630.64 lacs and net cash inflows amounting to ₹129.88 lacs for the year then ended, included in the accompanying consolidated financial statements in respect of certain subsidiaries, and joint ventures, whose financial statements and other financial information have been audited by other auditors and whose reports have been furnished to us. Our opinion on the consolidated financial statements, in so far as it relates to

the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of such other auditors. Our opinion is not qualified in respect of this matter.

- (b) We did not audit total assets of ₹1,096.90 lacs as at March 31, 2015, total revenues of ₹321.02 lacs, profit before tax ₹303.38 lacs and net cash outflows amounting to ₹5.03 lacs for the year then ended, included in the accompanying consolidated financial statements in respect of a foreign project site not visited by us, whose financial statements and other financial information have been audited by another auditor and whose report has been furnished to us. Our opinion, in so far as it relates to the affairs of such foreign project site is based solely on the report of another auditor. Our opinion is not qualified in respect of this matter.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Annexure referred to in paragraph 1 under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of GPT Infraprojects Limited as at and for the year ended March 31, 2015 based on the comments in the auditor’s report of GPT Infraprojects Limited (“Holding company”) and its subsidiaries incorporated in India to whom the Order applies (referred to as “the Covered entities” in this report)

- (i) (a) The Holding Company and the Covered entities of the Group has maintained proper records showing full particulars, including quantitative details and situation of fixed assets, except for Steel Shutterings at the various construction sites of the Holding Company.
- (b) All fixed assets have not been physically verified by the management of the Holding Company during the year but there is a planned programme of verifying each item of fixed assets once in three years which, in our opinion, is reasonable having regard to the size of the Holding Company and the nature of its assets. In one of the covered entities, as reported by the other auditor, the fixed assets have been physically verified by the management at regular intervals. No material discrepancies were noticed on such verification. In the other covered entity, as reported by the other auditor, in the absence of any fixed assets other than freehold land, the question of physical verification does not arise.
- (ii) (a) The management of the Holding Company and the Covered entities except in case of one subsidiary, as reported by the other auditors who audited the financial statements / financial information of the aforesaid subsidiary where the requirements under paragraph 3(ii) of the Order are not applicable, have conducted physical verification of inventory at reasonable intervals during the year.
- (b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Holding Company and the Covered entities of the Group and the nature of their business, except in case of one subsidiary, as reported by the other auditor who audited the financial statements / financial information of the aforesaid subsidiary where the requirements under paragraph 3(ii) of the Order are not applicable.
- (c) The Holding Company and the covered entities, except in case of one subsidiary, as reported by the other auditor who audited the financial statements / financial information of the aforesaid subsidiary where the requirements under paragraph 3(ii) of the Order are not applicable, are maintaining proper records of inventory and no material discrepancies were noticed on their physical verification.
- (iii) (a) The Holding Company has granted loans to two Companies, including a wholly owned subsidiary, covered in the register maintained under section 189 of the Companies Act, 2013. The maximum amount involved during the year for such loans granted was ₹2,800 lacs and the year-end balance was ₹316.68 lacs. The loans granted and interests thereon are repayable on demand. We have been informed that the Companies to whom loans have been granted are regular in repayment of principal and interest thereon whenever demanded.
- (b) There is no overdue amount of loans granted to Companies, firms or other parties listed in the register maintained under section 189 of the Companies Act, 2013.
- As reported by the other auditors who audited the financial statements / financial information of covered entities of the Group, such entities have not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a) and (b) of the Order are not applicable to the Covered entities of the Group and hence not commented upon.
- (iv) In our opinion and according to the information and

explanations given to us and as reported by the other auditors who audited the financial statements / financial information of certain covered entities of the Group there is an adequate internal control system commensurate with the size of the Holding Company and the Covered entities of the Group and the nature of its businesses, for the purchase of inventory and fixed assets and for the sale of goods and services, to the extent applicable to the nature of the business of the holding company and the covered entities of the Group. During the course of our audit and as reported by the other auditors who audited the financial statements / financial information of certain covered entities of the Group, no major weakness was observed or continuing failure to correct any major weakness in the internal control system of the Holding Company and the Covered entities of the Group in respect of these areas.

- (v) The Holding Company and as reported by the other auditors who audited the financial statements / financial information of the Covered entities of the Group have not accepted any deposits from the public.
- (vi) We have broadly reviewed the books of account maintained by the Holding Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same. As reported by the other auditors who audited the financial statements / financial information of covered entities of the Group, the Central Government has not specified

the maintenance of cost records under clause 148(1) of the Companies Act, 2013, for the products/services of such Covered entities of the Group.

- (vii)(a) Undisputed statutory dues including sales tax, wealth tax, customs duty and value added tax have generally been regularly deposited by the Holding Company with the appropriate authorities. However, such dues for provident fund, employees' state insurance, income-tax, service tax, excise duty, and other material statutory dues have not been regularly deposited with the appropriate authorities by the Holding Company and there have been serious delays in large number of cases. As reported by the other auditors who audited the financial statements / financial information of the covered entities of the Group, undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues as applicable to the respective Covered entities have generally been regularly deposited with the appropriate authorities except for one subsidiary which did not have any dues on account of employees' state insurance and excise duty.
- (b) According to the information and explanations given to us, undisputed dues of the Holding Company in respect of provident fund, employees' state insurance, income-tax, wealth-tax, service tax, sales-tax, customs duty, excise duty, value added tax, cess and other material statutory dues which were outstanding, at the year end, for a period of more than six months from the date they became payable, are as follows:

Name of the statute	Nature of dues	Amount (₹ in lacs)	Period to which the amount relates	Due date	Date of payment
Income Tax Act, 1961	Income tax deducted at source	81.29	March'14 to August'14	April'14 to September'14	Not yet paid
Income Tax Act, 1961	Income tax collected at source	0.30	April'14, May'14 and August'14	May'14, June'14 and September'14	Not yet paid
Finance Act, 1994	Service tax	77.22	April'14 to August'14	May'14 to September'14	Not yet paid
Employees' Provident Funds and Miscellaneous Provisions Act, 1952	Employer and Employee contribution to provident fund (including administrative charges)	7.16	August'14	September'14	April 9, 2015
West Bengal State Tax on Professions, Trades, Callings and Employments Act, 1979	Profession tax	0.31	August'14	September'14	Not yet paid

As explained and as reported by the other auditors who audited the financial statements / financial information of the covered entities of the Group, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues were in arrears as at 31st March 2015 for a period more than six months from the date they became payable except for one subsidiary which did not have any dues on account of employees' state insurance and excise duty.

(c) According to the records of the Holding Company, the dues outstanding of income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax and cess on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount (₹ in lacs)	Period to which the amount relates (Financial Year)	Forum where dispute is pending
Central Excise Act, 1944	Interest and penalty on account of delay in deposit of excise duty on escalation prices, sale of old and used moulds etc.	2.09	2004-05 2006-07 2007-08 2008-09	Commissioner of Central Excise (Appeal), Kolkata

West Bengal Value Added Tax Act, 2003	Disallowance of Works contracts tax included in Taxable Contractual Transfer Price	21.21	2009-10	West Bengal Commercial Taxes Appellate & Revisional Board, Kolkata
Bihar Value Added Tax Act, 2005	Disallowance of Labour and Supervision charges, input VAT on purchases and part disallowance of input credit on entry tax etc.	373.88	2011-12	Joint Commissioner of Commercial Taxes (Appeals), Patna

As reported by the other auditors who audited the financial statements / financial information of the covered entities of the Group, there are no dues of income tax, sales-tax, wealth tax, service tax, customs duty, excise duty, value added tax and cess which have not been deposited on account of any dispute.

(d) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and the Covered entities of the Group in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder.

- (viii) Without considering the consequential effects, if any, of the matters stated in the basis for qualified opinion paragraph of our auditors' report, the Holding Company has no accumulated losses at the end of the financial year and it has not incurred cash losses in the current financial year. The Holding Company has also not incurred cash losses in the immediately preceding financial year. The accumulated losses at the end of the financial year are less than fifty per cent of its net worth in respect of one of the Covered entities of the Group and it has not incurred any cash loss in the current financial year and in the immediately preceding financial year as reported by the other auditor who audited the financial statements / financial information of the aforesaid subsidiary. The other subsidiary, as reported by the other auditor who audited its financial statements / financial information, has been registered for a period of less than five years and hence this clause is not applicable to such subsidiary.
- (ix) Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Holding Company has not defaulted in repayment of dues to banks. During the year, the Holding Company did not have any outstanding debentures or dues to a financial institution. As reported by the other auditors who audited the financial statements / financial information of the covered entities of the Group, such entities have not availed any loans from financial institutions or banks and have not issued any debentures.
- (x) According to the information and explanations given to us, the Holding Company has given corporate guarantees for loans taken by a subsidiary company from banks, the terms and conditions whereof, in our opinion, are not prima-facie prejudicial to the interest of the Company. According to the information and explanations given to us, the Company has not given any guarantees for loans taken by others from financial institutions. As reported by the other auditors who audited the financial statements /
- financial information of the covered entities of the Group, such entities have not given any guarantee for loans taken by others from banks or financial institutions.
- (xi) Based on the information and explanations given to us by the management, term loans of the Holding Company were applied for the purpose for which these loans were obtained except for a term loan of ₹2,000 lacs received during the year, out of which ₹1,064 lacs has been temporarily utilized by the Holding Company for advancing loans to its group companies including a wholly owned subsidiary. Based on the information and explanations given to us by the management and the reports of other auditors who audited the financial statements / financial information of covered entities of the Group, such entities did not have any term loans outstanding during the year.
- (xii) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management and reports of the other auditors who audited the financial statements / financial information of covered entities of the group which we have relied upon, we report that no fraud on or by the Holding Company or covered entities have been noticed or reported during the year.

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

1. Group information

GPT Infraprojects Limited (the Company) is a listed public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company along with its four subsidiaries and twenty six joint ventures (collectively referred as the Group) operates in (a) execution of construction contracts and other infrastructure activities and (b) manufacture and supply of concrete sleepers.

2. Summary of significant accounting policies

a) Principles of Consolidation

The consolidated financial statements which relate to GPT Infraprojects Limited, (the Company) and its subsidiaries and Joint Ventures (the 'Group') have been prepared in accordance with the applicable Accounting Standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended):

- i. In terms of Accounting Standard 21 – 'Consolidated Financial Statements', the financial statements of the Company and its Subsidiaries are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenditure, after fully eliminating intra-group balances, intra-group transactions and any unrealized profit/loss included therein.
- ii. The difference of the cost to the Company of its investment in subsidiaries over its proportionate share in the equity of the respective investee companies as at the date of acquisition of stake is recognized in the financial statements as Goodwill or Capital Reserve, as the case may be.
- iii. The subsidiary companies considered in the financial statements are as follows:

Name of the Subsidiary	Country of Incorporation	Proportion of Ownership Interest	
		31st March 2015	31st March 2014
GPT Investments Private Limited, Mauritius	Mauritius	100.00%	100.00%
GPT Concrete Products South Africa (Pty) Limited	South Africa	69.00%	69.00%
Jogbani Highway Private Limited	India	73.33%	73.33%
Superfine Vanijya Private Limited (Formerly GPT Marecom Private Limited)	India	100.00%	100.00%

- iv. Minorities' interest in net profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income in order to arrive at the net income attributable to the shareholders of the Company. Their share of net assets has been identified and presented in the Consolidated Balance Sheet separately.
- v. In terms of Accounting Standard (AS) 27 'Financial Reporting of Interests in Joint Venture' notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended), the Company's proportionate interests in the Joint Ventures are consolidated as separate line items in the financial statements along with the book values of assets, liabilities, income and expenses, after eliminating intra-group balances / transactions and unrealized profit and losses resulting from the transactions between the Company and the joint ventures.

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

vii. The Financial Statements of GPT Investments Private Limited Mauritius, GPT Concrete Products South Africa (Pty.) Limited, South Africa and GPT – Transnamib Concrete Sleepers (Pty) Limited, Namibia have been prepared in accordance with International Financial Reporting Standards.

viii. The consolidated financial statements have been prepared using uniform accounting policies for like transactions and events in similar circumstances and necessary adjustments required for deviation in accounting policies, if any and to the extent possible, are made in the consolidated financial statements and are presented in the same manner to the extent possible as the Company's separate financial statements.

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

b) Basis of preparation of Accounts

The financial statements have been prepared to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on an accrual basis, except for insurance and other claims which are accounted for on acceptance / actual receipt basis. The accounting policies adopted in the preparation of financial statements are consistent with those used in the previous year.

c) Change in accounting policy

Till the year ended 31 March 2014, Schedule XIV to the Companies Act, 1956, prescribed requirements concerning depreciation of fixed assets. From the current year, Schedule XIV has been replaced by Schedule II to the Companies Act, 2013. The applicability of Schedule II has resulted in changes related to depreciation of fixed assets. Unless stated otherwise, the impact mentioned for the current year is likely to hold good for future years also.

Till the year ended 31 March 2014, depreciation rates prescribed under Schedule XIV were treated as minimum rates and the Company was not allowed to charge depreciation at lower rates even if such lower rates were justified by the estimated useful life of the asset. Schedule II to the Companies Act 2013 prescribes useful lives for fixed assets which, in many cases, are different from lives prescribed under the erstwhile Schedule XIV. However, Schedule II allows companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported and justification for difference is disclosed in the financial statements.

Considering the applicability of Schedule II, the management has re-estimated useful lives and residual values of all its fixed assets, accordingly, depreciation charge for the current year is higher by ₹160.23 lacs as compared to previous year. Further, based on transitional provision provided in Note 7(b) of Schedule II, an amount of ₹13.91 lacs (net of deferred tax of ₹6.22 lacs) has been adjusted with retained earnings. The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets.

d) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods.

e) Tangible Fixed Assets

- i. Tangible Fixed assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. The cost of acquisition comprises purchase price inclusive of duties (net of CENVAT / VAT), taxes, directly attributable incidental expenses, erection / commissioning expenses, borrowing cost if capitalization criteria are met, etc. incurred upto the date the asset is ready for its intended use.
- ii. Machinery Spares which can be used only in connection with a particular item of Fixed Assets and whose use, as per the technical assessment, is expected to be irregular are capitalized and depreciated proportionately over the residual life of the respective assets.
- iii. Gain or losses arising from derecognition of tangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss when the assets are derecognized.
- iv. From accounting periods commencing on or after 1st April, 2011, the Group adjusts exchange differences arising on translation/ settlement of long-term foreign currency monetary items pertaining to the acquisition of a depreciable asset to the cost of the asset and depreciates the same over the remaining life of the asset.

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

v. Expenditure on new projects and substantial expansion:

Expenditure directly relating to construction activity are capitalized. Indirect expenditure incurred during construction period are capitalized as part of the indirect construction cost to the extent to which the expenditure are related to construction activity or are incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which are not related to the construction activity nor are incidental thereto are charged to the statement of profit and loss. Income earned during construction period is deducted from the total of the indirect expenditure.

All direct capital expenditure on expansion are capitalized. As regards indirect expenditure on expansion, only that portion is capitalized which represents the marginal increase in such expenditure involved as a result of capital expansion. Both direct and indirect expenditure are capitalized only if they increase the value of the asset beyond its original standard of performance.

f) Intangible Fixed Assets

- i. Intangible assets are carried at cost of acquisition less accumulated amortization and impairment losses, if any. The Cost of acquisition comprises purchase price inclusive of duties (net of CENVAT / VAT), taxes, etc.
- ii. Computer software not being part of the hardware operating system, are assessed to have a useful life of 3 years and are capitalized as intangible fixed assets.
- iii. Gain or losses arising from derecognition of intangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss when the assets are derecognized.
- iv. Annuity entitlements are obtained in consideration for construction, operation and maintenance services in relation to design, build, finance, operate and transfer of Annuity basis. Intangible Asset under development comprises of cost of construction and pre-operative expenses incurred upto the date of commencement of commercial operations. Such pre-operative expenses are treated as Intangible Asset.

g. Depreciation & Amortization

Tangible Fixed Assets

- i. The classification of Plant and Machinery into continuous and non-continuous process is done as per technical certification and depreciation thereon is provided accordingly.
- ii. Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management which is in line with the useful lives as specified in Schedule II to the Companies Act, 2013, except for the following class of assets where management has estimated useful life based on management's technical evaluation:
 - Steel Shutterings are depreciated over a period of five years from the year of addition. No specific useful life for such class of assets has been indicated in Schedule II.
 - Depreciation on Fixed Assets of certain Joint Ventures are provided using written down value method as per the depreciation rates estimated by the management as given below:

Sl. No.	Type of Assets	Rates (WDV) %	Useful life of Assets as per Schedule II
1.	Building	10.00%	30 years
2.	Plant and Equipments	15.00%	15 years
3.	Furniture and Fixture	10.00%	10 years
4.	Computer and Office Equipments	60.00% & 15.00%	3-6 years
5.	Vehicles and Trollies	15.00% & 20.00%	8-10 years

- Depreciation in respect of foreign subsidiaries and a joint venture is provided on straight line method as per the useful lives of the assets estimated by the management which are as follows:

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

- iii) Depreciation on Insurance Spares / standby equipments is provided over the useful lives of the respective mother assets.
- iv) Depreciation on fixed assets added / disposed off during the year, is provided on pro-rata basis with reference to the date of addition / disposal.

Intangible Fixed Assets

- i) Computer softwares capitalized as intangible fixed assets are amortized on a straight line basis over their useful life of 3 years.
- ii) Goodwill arising on consolidation is stated at cost and impairment, if any, is recognized.

h. Impairment of tangible and intangible fixed assets

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which is the greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre- tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets.

Sl. No.	Type of Assets	Rates as per useful lives estimated by the management %	Useful life of Assets as per Schedule II
1.	Building	12.50% & 20.00%	30-60 years
2.	Plant and Equipments	12.50% & 20.00%	15 years
3.	Furniture and Fixture	12.50% & 20.00%	10 years
4.	Computer and Office Equipments	12.50% & 20.00%	3-6 years
5.	Vehicles and Trollies	20.00%	8-10 years

i. Leases

Finance Leases, which effectively transfer to the Group, substantially, all the risks and benefits incidental to the ownership of the leased items, are capitalized at the lower of the fair value and present value of the minimum lease payment at the inception of lease term and disclosed as leased assets.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

j. Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

k. Inventories

- i. Closing stock of stores and spares and raw materials (except for those relating to construction activities) are valued at lower of cost computed on 'Weighted Average' basis and net realizable value. However, materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes expenses incidental to procurement thereof.
- ii. Finished goods and work in progress (except for those relating to construction activities) are valued at the lower of cost computed on weighted average basis and net realizable value. Costs in respect of finished goods include direct material, labour and an appropriate portion of overhead costs and excise duty.

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

- iii. Construction work in progress is valued at cost. However, in case of contracts where losses are likely to occur, the stock is considered at net realisable value. Costs include materials, labour and an appropriate portion of construction overheads.
- iv. Stores, components, etc. and construction materials at sites to be used in contracts are valued at cost which is ascertained on 'Weighted Average' basis.
- v. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

I. Revenue recognition

i. Construction contracts

Revenue on construction contracts is recognized on percentage completion method based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bears to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies, which being technical matters have been relied upon by the auditors. Revisions in projected profit or loss arising from change in estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements as the effect thereof cannot be accurately determined.

Overhead expenses representing indirect costs that cannot be directly aligned with the jobs, are distributed over the various contracts on a pro-rata basis.

ii. Sale of Goods

Revenue from sale of goods is recognized on passage of title thereof to the customers, which generally coincides with delivery. Sales are net of taxes, returns, claims, trade discounts etc.

Revenue is recognized when the significant risks and rewards of ownership of the goods get passed to the buyer.

iii. Income from Services

Revenues from operation and maintenance contracts are recognized on rendering of services as per the terms of contract.

iv. Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

v. Government grants

Government grants are recognized when there is reasonable assurance that:

- the Group will comply with the conditions attaching to them; and
- the grants will be received.

Government grants with no conditions attached are recognized in the income statement immediately

m. Foreign currency translations

i. Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

iii. Exchange Differences

Exchange differences, in respect of accounting periods commencing from 1st April 2011, arising on reporting of long-term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to the acquisition of a depreciable capital asset, are added to or deducted from the cost of the asset and are depreciated over the balance life of the asset, and in other cases, such exchange differences are accumulated in a "Foreign Currency Monetary Items Translation Difference Account" and amortised over the balance period of such long-term asset / liability.

Exchange differences arising on the settlement or reporting of monetary items, not covered above, at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, are recognized as income or expenses in the period in which they arise.

iv. Forward Exchange Contracts not intended for trading or speculation purposes.

The premium or discount arising at the inception of forward exchange contracts is amortized as expenses or income over the life of the respective contracts. Exchange differences on such contracts, except the contracts which are long term foreign currency monetary items, are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or expense for the year. Any gain/loss arising on forward contracts which are long term foreign currency monetary items is recognized in accordance with paragraph 2 (l) (iii) above.

v. Derivatives Instruments:

As per ICAI announcement, accounting for derivative contracts, other than those covered under AS-11, are marked to market on a portfolio basis, and the net loss after considering the offsetting effect on the underlying hedge item is charged to the statement of profit and loss. Net gains are ignored.

vi. Translation of Integral and Non-integral foreign operations

The financial statements of an integral foreign operation are translated as if the transactions of the foreign operation have been those of the Company itself.

In translating the financial statements of a non-integral foreign operation for incorporation in financial statements, the assets and liabilities, both monetary and non-monetary, are translated at the closing rate; while income and expense items are translated at exchange rates at the dates of the transactions; All the resulting exchange differences are accumulated in a foreign currency translation reserve until the disposal of the net investment.

On the disposal of a non-integral foreign operation, the cumulative amount of the exchange differences which have been deferred and which relate to that operation are recognized as income or as expenses in the same period in which the gain or loss on disposal is recognized.

When there is a change in the classification of a foreign operation, the translation procedures applicable to the revised classification are applied from the date of the change in the classification.

n. Retirement and other employee benefits

Retirement benefits in the form of Provident Fund is a defined contribution scheme. The Group recognizes contribution payable to provident fund scheme as an expenditure on rendering of related service by employees. There are no obligations other than the contribution payable to the fund. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset.

Gratuity (funded) being defined benefit obligation and long term compensated absences (unfunded) are provided for based on

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

actuarial valuation made at the end of each financial year using the projected unit credit method.

Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss as income or expenses.

o. Income Taxes:

Tax expense comprises current and deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realized against future taxable profits.

The carrying amounts of deferred tax assets are reviewed at each Balance Sheet date. The Group writes down the carrying amount of the deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax assets can be realized. Any such write down is reversed to the extent it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

p. Employee Stock Compensation Cost:

Measurement and disclosure of the employee share-based payment plans is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India. The Company measures compensation cost relating to employee stock options using the intrinsic value method. Compensation expense is amortized over the vesting period of the option on a straight line basis.

q. Segment Reporting

Identification of Segments

The Group has identified that its business segments are the primary segments. The Group's businesses are organized and managed separately according to the nature of activity, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

Inter segment Transfers

The Group generally accounts for intersegment sales and transfers as if the sales or transfers were to third parties at current market prices.

Allocation of common costs

Common allocable costs are allocated to each segment on case to case basis applying the ratio, appropriate to each relevant case. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis, have been included under the head "Unallocated - Common"

Segment Policies

The accounting policies adopted for segment reporting are in line with those of the Group.

r. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s. Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions made in terms of Accounting Standard 29 are not discounted to their present value and are determined based on management estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and appropriately adjusted to reflect the current management estimates.

Provision for warranties cost is based on the claims received upto the year end as well as the management estimates of further liability to be incurred in this regard during the warranty period.

t. Cash and Cash Equivalents

Cash and cash equivalents as indicated in the Cash Flow Statement comprises cash at bank and on hand and short-term investments with an original maturity of three months or less.

u. Measurement of EBITDA

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the Group has elected to present earnings before interest, tax expenses, depreciation and amortization expenses (EBITDA) as a separate line item on the face of the statement of profit and loss. The Group measures EBITDA on the basis of profit from continuing operations. In its measurement, the Group does not include depreciation and amortization expenses, interest and tax expenses.

v. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

The subsidiary had entered into a concession agreement with the customer and had awarded an EPC contract to the Company. During previous year, the subsidiary had terminated the concession agreement with the customer and had gone into arbitration mainly due to required land not being made available by the customer, resulting in termination of the EPC contract awarded to the Company. The Group is carrying assets of ₹ 1,983.12 lacs (net of liabilities of ₹ 31.39 lacs), including construction work in progress of ₹ 1,394.89 lacs as on the Balance Sheet date pertaining to the above project. Since the matter has been referred to arbitration, the recoverability of the aforesaid net assets of the Group is subject to outcome of the said arbitration. The Management believes that the outcome of the arbitration shall result in recovery of the said cost on the facts of the case and as per the terms and conditions of the said concession agreement and accordingly no provision is considered necessary in the financial statements.

Notes to the Consolidated Financial Statements as at and for the year ended 31st March 2015

(C) During earlier years, the Company had significantly completed execution of certain construction and supply contracts under the terms of agreements with some government departments. Unbilled revenue, accrued price escalations and trade receivables aggregating ₹3,645.91 lacs, included in other current assets and trade receivables, are yet to be billed/received by the Company in respect of such contracts due to paucity of funds available with those customers. Based on regular follow ups with those customers, management is confident that the aforesaid amount is fully recoverable.

28. CAPITAL AND OTHER COMMITMENTS

(₹ in lacs)

	As at 31st March 2015	As at 31st March 2014
Estimated amount of contracts remaining to be executed on Capital Account and not provided for (net of advances)	21.99	10.82

29. (a) The Company had introduced an Employee Stock Option Plan (ESOP) in the name and style of GPT Employee Stock Option Plan-2009 (ESOP scheme) in the year 2009 - 10. On the basis of such scheme, 2,00,000 equity shares of the Company were allotted to an Employees' Welfare Trust namely GPT Employees' Welfare Trust ("the trust") on 2nd January 2010. During the year, the Nomination and Remuneration Committee in its meeting held on 29th May 2014 approved the proposal for grant of options under the aforesaid scheme to the eligible employees of the Company for the said 2,00,000 shares. None of the grantees / eligible employees accepted the grant within the prescribed acceptance period. Under the circumstances, the Board, as recommended by the Nomination and Remuneration Committee, in their meeting held on 12th February, 2015 dissolved the said ESOP Scheme.

(b) Further, the Company had given ₹200.00 lacs during 2009 - 10 by way of interest free loan to M/s. GPT Employees Welfare Trust. The Trust has refunded ₹2.00 lacs (31st March 2014 : ₹1.80 lacs) to the Company during the year. The Trust can sell the shares held by it in the secondary market through stock exchange and the sale proceeds so generated can be utilised for the repayment of the outstanding loan granted by the Company to the Trust and the balance fund can be utilised for the general benefit of the employees as stated in the GPT Employees Welfare Trust Deed. As per Guidance Note on Accounting for Employee Share based Payments issued by the Institute of Chartered Accountants of India, the above loan has been adjusted to the extent of ₹20.00 lacs (31st March 2014 : ₹20.00 lacs) in equity share capital and balance ₹166.70 lacs (31st March 2014 : ₹168.70 lacs) in the securities premium account.
