

GPT Infraprojects Limited
36th Annual Report 2015-16

Gaining Momentum

Forward-looking Statement

In this annual report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements – written and oral – that we periodically make, contain forward-looking statements that set out anticipated results based on the management’s plans and assumptions. We have tried wherever possible to identify such statements by using words such as ‘anticipates’, ‘estimates’, ‘expects’, ‘projects’, ‘intends’, ‘plans’, ‘believes’, and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Inflection point. For country, sector and company.

The last five years were among the most challenging for India's infrastructure companies. The next five years promise to be among the most exciting.

In the past, infrastructure companies worked with stretched Balance Sheets that made it difficult to reinvest in their businesses.

These companies are beginning to right-size their Balance Sheets to address a once-in-a-lifetime opportunity.

In the past, infrastructure companies suffered from delayed receivables and inefficient working capital management.

These companies are now getting paid faster by their government customers, kickstarting a virtuous cycle of growth cum profitability.

In the past, infrastructure companies were relatively unsure of when projects would be announced, affecting long-term investments.

These companies are now banking on the government's long-term vision, secured funding and contracts acceleration leading to a rare multi-year growth opportunity.

GPT Infraprojects Limited.
One of India's most exciting
and fastest-growing
infrastructure companies.

Engaged in the fabrication
of steel bridges.

Addressing power and
industrial projects. As well as
the manufacture of concrete
sleepers.

Making it a robust Indian
infrastructure proxy.

Background

GPT Infraprojects Limited is the flagship of GPT Group, incorporated in 1980. The Company is a construction and manufacturing entity that operates through two business divisions:

- **Infrastructure:** The Company undertakes EPC contracts in roads, railways, power and industrial sectors
- **Concrete sleeper:** The Company manufactures pre-stressed concrete sleepers in India and Africa

GPT Infraprojects represents an attractive balance of entrepreneurial promoters and professional employee interests. The Company is headed by Chairman Mr. Dwarika Prasad Tantia with a rich 45-year experience in the infrastructure sector, Mr. Shree Gopal Tantia (Managing Director), Mr. Atul Tantia (Executive Director) and Mr. Vaibhav Tantia (Director & COO), supported by more than 720 employees (119 engineers).

Locations

The Company is headquartered in Kolkata (India). Its manufacturing locations are based in:

Panagarh (India):

Installed capacity: 480,000 sleepers per annum

Pahara and Ikari:

Installed capacity: 400,000 sleepers each per annum (under construction)

Ladysmith (South Africa):

Installed capacity: 500,000 sleepers per annum

Tsumeb (Namibia):

Installed capacity: 200,000 sleepers per annum

Clientele

- Indian Railways • Rail Vikas Nigam Limited • Ircon International Limited • BHEL • Rites Limited
- Kolkata Municipal Corporation
- West Bengal PWD • Arunachal Pradesh PWD • Hooghly River Bridge Commissioners
- GMR Infrastructure Limited
- Transet Freight Rail
- TransNamib Holdings Limited

Listing

The Company's shares are listed and actively traded on the Bombay Stock Exchange. The Company enjoyed a market capitalisation of ₹320 cr as on 31st March 2016.

Awards and certifications

- Awarded Certificate of Excellence by Eastern Railway, 2007-08 and 2008-09.
- Awarded Emerging India Award for Infrastructure from ICICI Bank, CNBC TV-18 and CRISIL in 2011.
- ISO 9001:2000 certification.
- Star Export House Certification by Ministry of Commerce, Government of India.

Chairman's review

“Promising days for country, business and company”

At GPT Infraprojects Limited, we believe that these are among the most promising days for our country, business and Company.

As an immediate validation of this overarching statement is the fact that GPT Infraprojects reported its highest-ever topline, operating profits and order book during the year under review. The convergence of these three realities indicates a deeper transformation in our operating fundamentals than would be immediately evident; they indicate that the Company has rebounded faster than the sectoral

average and is likely to sustain this rebound across the foreseeable future.

More than the quantity of these numbers, I would commend their quality. Our revenue increased by 30%, indicating that we were able to complete a larger throughput of projects within the allotted time. Our EBITDA strengthened from ₹61.2 cr in 2014-15 to ₹74.3 cr in 2015-16. Our interest cover strengthened from 1.5x in 2014-15 to 1.9x during the year under review. Our receivables declined from 81 days of turnover equivalent in 2014-15 to 60 days in 2015-16. The average cost of our

funds improved from 10.4% of revenue in 2014-15 to 7.6% in 2015-16. A large proportion of our order book corresponded to margins higher than our acceptable hurdle rate.

It is this combination of a larger order book, superior hurdle rate and strengthening terms of trade that convinces me that our business is headed for a sweet spot that should translate into enhanced value for all our stakeholders.

Sectoral transformation

The key driver of improvement in our performance during the year under review has been the dramatic transformation in the way the country's government is taking initiatives to revive the Indian infrastructure sector. After years of underinvestment, a budgetary allocation of ₹221,246 cr was made for 2016-17 with ₹97,000 cr assigned for roads, ₹121,000 cr railways and the balance for other infrastructure works. Initiatives are also being taken to upgrade railway infrastructure, develop underserved ports and national waterways, and accelerate road construction. We believe that such an infrastructural thrust by the government presents immense opportunities for companies like us.

There are several steps undertaken by the Railway Ministry to address the unmet national demand in the sector.

One, the Ministry has drawn out a long-term vision to graduate the Indian railways to the standards of the

developed west, creating in my mind the largest railways investment and transformation opportunity anywhere in the world.

The promise of this vision has been reflected in the numbers: the country has outlined ₹850,000 cr of investments in the sector in the next five years, which is game-changing when you compare it with the fact that only a fraction of investments were made in the country's railways sector in the last decade.

Two, the government departments have graduated from a point when they focused on the awarding of projects to a situation when they are focused on project implementation and completion. This shift in stance has had an interesting fallout: projects are being announced only when a significant part of their funding has been secured by the government, ensuring that the projects are not stalled midway due to a non-availability of funds.

Three, the power to kickstart projects was earlier concentrated at the highest levels of the government, which is now being delegated down the chain. For example, in the case of Railways, the General Managers, who were earlier empowered to award projects of no more than ₹100 cr, are now comfortably addressing projects up to ₹500 cr. We believe that this delegation has enabled decisions to be taken closer to the ground, reducing bureaucracy on the one hand and accelerating project

throughput on the other.

Four, the government departments, especially Railways, are remunerating contractors faster than ever. This is resulting in quicker payments to contractors like us, making it possible to reduce receivables and grow our businesses profitably.

Translating promise into performance

At GPT Infraprojects, we believe that one of the most visible trickle-down impacts of the country's intention to invest in its rail sector is likely to be in the extensive building of new bridges and the extensive makeover of existing ones. All unmanned level crossings are to be eliminated by 2020. Besides, there are an estimated 1,200 bridges in India, the majority of pre-Independence vintage needing rehabilitation.

Much of this promise is already being translated into a stronger order throughput. As against an average of ₹3,000 cr of orders being announced per year a few years ago in bridge construction and repair with no follow-up assurance of whether this spending would sustain, the country has now announced ₹15,000 cr in bridge construction and repair for the next three years with growing projects visibility.

The thrust is also on faster and quicker laying of railway tracks and construction of national highways. The target is to increase the daily construction from 5 km per day of railway track to 7 km per day in 2016-17 and 19 km per day in 2018-19.

In addition to the already announced Eastern and Western Dedicated Freight corridors, wherein a major part of the contracts have already been awarded and the target is to commission the same by 2020, the Railways have also announced a preliminary study for the construction of three new freight corridors, i.e., East-West, North-South and East Coast, which will entail construction of 5,769 km of railway tracks.

This presents a huge opportunity for our concrete sleeper business as it entails requirement of approximately 20 million sleepers for these three new corridors, i.e., a market opportunity of approximately ₹3,500 cr.

We continue to focus on the southern African market for new ventures of the concrete sleeper business wherein rail is the cheapest, most reliable and environment friendly mode of transport for minerals from mines to ports. We intend to enter two new geographies in the International market by 2020.

As a Company that largely specialises in this niche of the large infrastructure and rail sector, we are faced with the prospect of a large number of profitable projects across the foreseeable future, virtually combining volume with value and visibility.

We are bringing to this unprecedented opportunity a sense of preparedness. We are commissioning two concrete sleeper factories to capitalise on the Dedicated Freight Corridor opportunity

in Uttar Pradesh. We are also planning to match or surpass completion targets of bridge projects and strengthening our brand as a differentiated bridge-building Company.

We expect to capitalise on the sectoral momentum through enhanced qualification capability for larger projects, ability to address them in standalone capacity, address progressively larger contracts, maintain a 24-30 month revenue visibility, and grow to ₹1,500 cr by 2020, with only a moderate increase in debt, demonstrating that we can grow more profitable even as we grow larger.

This has already begun to happen. The Company finished 2015-16 with consolidated unexecuted

order book of ₹1,650 cr. This order book should make it possible for us to generate a 35-40% revenue growth for the current financial year at margins higher than what we reported in the last year and with better working capital outlay.

At GPT Infraprojects, we believe that in the infrastructure sector it is indeed possible to grow larger while enhancing one's profitability.

This is the optimism that I intend to extend to all our shareholders.

DP Tantia, *Chairman*

May 25, 2016

Passion at GPT

When GPT was awarded the Bardhaman Cable-Stayed Road over Bridge project in 2012, challenges were considerable because of stringent deadline, sheer congestion and the fact that the tracks could be shut for only three hours each night.

GPT responded with its full engineering insight and terrain management experience. The project was successfully completed and recognised as one the most innovative structures by Indian Railways, emerging as a showpiece in the dynamic deployment of cable-stayed bridges in modern India.

At GPT, passion makes seemingly impossible things happen.

Financial highlights

Our distinctive business model

At GPT Infraprojects Limited, we have selected to grow our business with the objective to make it sustainable across market cycles, making it possible to protect the bottom-line during the downtrend and generate a vigorous rebound following sector revival.

Culture: At GPT Infraprojects, we represent a prudent balance of the entrepreneurial and the intellectual. At one level, we respond with speed to business opportunities; on the other, we represent the patient accretion of experience and knowledge capital from across the decades. This balance makes it possible for us to deliver projects ahead of schedule and earn peer and customer respect.

Knowledge-driven: At GPT Infraprojects, we are a knowledge-driven engineering Company (119 engineers). This has reflected in our ability to construct all kinds of bridges, effectively emerging as a one-stop solution provider. Over the years, we have grown our qualification credentials (financial and technical) to be able to bid for

larger projects in our individual right (without joint ventures), enhancing our profitability. Besides, we possess the competence to work across the entire projects value chain without needing to outsource sub-projects.

Government contracts: Over the years, we have secured our prospects by working almost exclusively for the government, especially on projects where the funding lines have been secured by prominent financial institutions, virtually assured project funding and completion. The result: our bad debts over the last number of years have been virtually nil.

Margins: At GPT Infraprojects, we believe that it is better to do no business than to do bad business. In view of this,

we have established a hurdle margin rate below which we prefer not to bid. This selectivity made it possible for us to protect our viability in the most challenging markets, strengthening our capacity to address the vigorous sectoral rebound.

Projects preference: At GPT Infraprojects, we believe that sustainability is derived from higher-than-average margins and this, in turn, is derived from the ability to embrace challenging projects marked by relatively low competition. Over the years, we have strengthened our brand within the bridges sector as the 'go to' Company when projects became large or complex.

Timely completion: At GPT Infraprojects, even as we commit timely project delivery, our objective is to deliver projects ahead of schedule. We have created a performance-linked incentive for the projects team (ex-promoters) whenever projects are delivered ahead of commitment, ensuring that such performances are driven bottom-up. Besides, we are a technology-agnostic Company, selecting to invest in global cutting-edge construction solutions

that can accelerate our workflow. We own a number of on-site equipment items that enhance our operational speed cum flexibility while eliminating rentals. We combine the advantage of project commissioning and product manufacture (especially when commissioning concrete sleeper projects in 40% less tenure).

Forward-looking: We made forward-looking investments in technologies, considered unusual in companies of our size. We invested in SAP in 2010 when our annual revenues were no more than ₹300 cr, creating a foundation for scalable growth.

Sustainability: We believe that the most successful companies are not necessarily those working on the largest projects but those with the most attractively-sized Balance Sheets. The latter, we believe, is derived from profitable projects, timely cash flows, attractive margins, large reinvestments, decline in gearing and increasing interest covers. This is the Company that we have set out to become, influencing every aspect of our corporate strategy.

Our capabilities

Bridge building

- Bridge, ROB, Elevated metro corridors and flyover construction with pile, well and caisson foundation
- Fabrication and Erection of steel girder bridges and structures
- Constructing large span bridges over perennial rivers like Ganga, Yamuna, Bhagirathi, Kosi, Mahanadi etc.

Power and industrials

- Design, engineering & construction of difficult engineering structures along with the commissioning & operation of heavy electro-mechanical equipment.
- Civil and structural works involved in the construction of sub-stations.

Concrete sleeper

- Turnkey Services from design to construction to manufacture of concrete sleepers
- Manufactures the complete range of concrete sleepers for a diverse domestic and international clientele
- Setting up of new facilities for project specific requirements in India and Africa

GPT's performance ambition

At GPT Infraprojects Limited, our performance ambition is to emerge as one of the most respected infrastructure creating companies in the countries of our presence.

Overall goal

- Treble our annual revenues to ₹1,500 cr by 2020
- Plan to foray into two new international geographies by 2020

Probable goal contributors

- Timely execution of existing and new orders
- Bidding for larger and challenging bridge assignments
- Accelerated manufacturing capacity by commissioning 2 new concrete sleeper plants in Uttar Pradesh
- Leveraging the potential of data analytics by using SAP and thus achieving larger scale

We are making focused efforts towards:

- Investments in cutting-edge technologies and solutions that accelerate workflows and enhance quality construction
- Recruitment of competent professionals with industry experience
- Acquisition of equipment that enhance proprietary ownership, flexibility of deployment and savings in rentals
- Balance Sheet integrity marked by conservative financial practices that make it possible to never exceed a gearing of 1.5x and never decline below an interest cover of 2x even in the most challenging industry cycles
- Credit rating improvement from BBB-, making it possible to mobilize lower cost and strengthening profitability
- Listing on National Stock Exchange (NSE) to increase shareholder participation

We are measuring our performance ambition through:

Profitable growth

- Total income: Grew 29.9% in 2015-16
- Operating profit: Increased 21.6% in 2015-16

Profitability mechanics

- Working capital cycle: Declined from 238 days of turnover equivalent in 2014-15 to 169 days in 2015-16
- Interest intensivity: Declined from 10.4% of revenues in 2014-15 to 7.6% in 2015-16
- Interest cover: Improved from 1.50x in 2014-15 to 1.93x in 2015-16

Consistent value creation

- Market capitalisation: Grew from ₹179.5 cr as on 31st March 2015 to ₹320.5 cr as on 31st March 2016

Business Results

For the year 2015-16, the total revenue of the Company stands at ₹36,109 Lacs and ₹50,909 Lacs in comparison with the previous year amounting to ₹25,027 Lacs and ₹39,201 Lacs for standalone and consolidated respectively.

EBITDA for the year under review is ₹5,847 Lacs and ₹7,435 Lacs in comparison with the previous year amounting to ₹4,528 Lacs and ₹6,116 Lacs for standalone and consolidated respectively.

PAT for the year under review is ₹984 Lacs and ₹1,282 Lacs in

comparison with the previous year amounting to ₹108 Lacs and ₹416 Lacs for standalone and consolidated respectively.

Concrete Sleeper Business

During 2015-16, this business recorded a total revenue of ₹2,867 Lacs and ₹8,817 Lacs in comparison with the previous year amounting to ₹2,857 Lacs and ₹9,120 Lacs for standalone and consolidated respectively.

The production in the manufacturing facilities set up in Tsumeb, Namibia for manufacture and supply of concrete sleepers in

joint venture with Transnamib Holdings Limited, Namibia (A Government of Namibia undertaking) namely GPT Transnamib Concrete Sleepers (Pty) Limited has recorded a turnover of N\$73,393,696 (₹3,517 Lacs) and profit after tax (PAT) N\$8,043,120 (₹385 Lacs) in comparison with previous year amounting to N\$57,792,091 (₹2,992 Lacs) and N\$8,566,623 (₹474 Lacs) respectively. The capacity of the said manufacturing facility in Namibia has been increased from 125,000 nos. of sleeper to 200,000 nos. per annum.

The manufacture and supply of concrete sleeper at the Company's South African subsidiary namely GPT Concrete Products South Africa Pty Limited is smoothly going on and the said subsidiary has recorded a turnover of ZAR99,258,937 (₹4,756 Lacs) and a PAT of ZAR3,399,660 (₹163 Lacs) in comparison with previous year amounting to ZAR91,997,960 (₹5,088 Lacs) and ZAR2,271,820 (₹118 Lacs) respectively. The capacity of the said manufacturing facility in South Africa has been increased from 250,000 nos. of sleeper to 500,000 nos. per annum.

Infrastructure Business

During 2015-16, this division contributed a revenue of ₹32,689 Lacs and ₹41,392 Lacs against that of ₹20,542 Lacs and ₹28,987 Lacs for the previous year for standalone and consolidated respectively. This business segment currently has order book of ₹1,825 Crore approximately.

Dividend

The Board of Directors ("the Board") had declared two interim dividends, each of ₹1 each per share aggregating to ₹2 per share for the financial year 2015-16. Your Board has considered the said interim dividends as final.

Reserves

It is not proposed by the Board of your Company to transfer any amount to Reserves for the year ended 31st March 2016.

Credit Rating

The long term credit facilities continues to be rated by Credit Analysis & Research Ltd. (CARE) and the present rating of the Company as given by them is BBB-.

Consolidated Financial Statement

In accordance with the Companies Act, 2013 ("the Act") and Accounting Standard (AS) - 21 on Consolidated Financial Statements read with AS - 23 on Accounting for Investments

in Associates and AS - 27 on Financial Reporting of Interests in Joint Ventures, the audited consolidated financial statement is provided in the Annual Report.

Subsidiaries, Joint Ventures and Associate Companies

During the year under review, none of the Company's subsidiaries, joint ventures or associate companies have become or ceased to be Company's subsidiaries, joint ventures or associate companies. A report on the performance and financial position of each of the subsidiaries, associates and joint venture companies as per the Act is provided as an Annexure to the consolidated financial statement and hence not repeated here for the sake of brevity. The Policy for determining material subsidiaries as approved may be accessed on the Company's website at the link: http://www.gptinfra.in/investors/corporate_policies.php

Directors' Responsibility Statement

Your Directors state that:

- a) in the preparation of the annual accounts for the year ended March 31, 2016, the applicable accounting standards read with requirements set out under Schedule III to the Act, have been followed and there are no material departures from the same;
- b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2016 and of the profit of the Company for the year ended on that date;
- c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) the Directors have prepared the annual accounts on a 'going concern' basis;
- e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and
- f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

Corporate Governance

The Company is committed to maintain the highest standards of corporate governance and adhere to the corporate governance requirements set out under the provisions of the Act, Listing Agreement and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulation"). The report on Corporate Governance as stipulated under the Act, Listing Agreement and Listing Regulation forms an integral part of this Report. The requisite certificate from a Practicing Company Secretary confirming compliance with the conditions of corporate governance is attached to the report on Corporate Governance.

Business Risk Management

Pursuant to the provisions of Regulation 21 of the Listing Regulation, the Company is not required to constitute a Risk Management Committee. The Company has however laid down procedures to inform Board members about the risk assessment and minimization procedures. The Company's management systems, organizational structures, processes, standards, code of conduct, Internal Control and Internal Audit methodologies and processes that governs as to how the Company conducts the business of the Company and manages associated risks. The Company has also adopted Risk Assessment, Minimization and Control Procedures.

At present the Company has not identified any element of significant risk which may threaten the existence of the Company.

Contracts and Arrangements With Related Parties

In line with the requirements of the Act, Listing Agreement and Listing Regulation, your Company has formulated a Policy on Related Party Transactions which is also available on Company's website at http://www.gptinfra.in/investors/corporate_policies.php. The Policy intends to ensure that proper reporting, approval and disclosure processes are in place for all transactions between the Company and Related Parties. This Policy specifically deals with the review and approval of Material Related Party Transactions keeping in mind the potential or actual conflicts of interest that may arise because of entering into these transactions. All Related Party Transactions are placed before the Audit Committee for review and approval. Prior omnibus approval is obtained for Related Party Transactions on a quarterly basis for transactions which are of repetitive nature and / or entered in the Ordinary Course of Business and are at Arm's Length. All Related Party Transactions entered during the year were in Ordinary Course of the Business and on Arm's Length basis.

No Material Related Party Transactions, i.e. transactions

exceeding ten percent of the annual consolidated turnover as per the last audited financial statements were entered into during the year by your Company. Accordingly, the disclosure of Related Party Transactions as required under Section 134(3) (h) of the Act in Form AOC 2 is not applicable.

Corporate Social Responsibility (CSR)

The Corporate Social Responsibility Committee of the Board has formulated and recommended to the Board, a Corporate Social Responsibility Policy (CSR Policy) indicating the activities to be undertaken by the Company, which has been approved by the Board. The CSR Policy may be accessed on the Company's website at the link: http://www.gptinfra.in/investors/corporate_policies.php

The Annual Report on CSR activities is annexed herewith marked as Annexure-I

Internal Financial Controls

The Company has in place adequate internal financial controls with reference to financial statements. During the year, such controls were tested and no reportable material weakness in the design or operation was observed.

Directors and Key Managerial Personnel

In accordance with the provisions of the Act and the Articles of Association of the Company:

- (i) Mr. S.G. Tantia, Managing Director of the Company, retire by rotation at the ensuing Annual General Meeting and being eligible have offered himself for re-appointment.
- (ii) Mr. S.J. Deb, was appointed as an Independent Director in the last Annual General Meeting held on 1st September, 2015, for a tenure of 5 years until the conclusion of 40th Annual General Meeting of the Company and his office shall not be liable to retire by rotation.

ANNEXURE-II

NOMINATION AND REMUNERATION POLICY

for the Directors, Key Managerial Personnel and other employees

The Compensation Committee of GPT Infraprojects Limited ("the Company") was originally constituted on 31st October 2009. In order to align with the provisions of the Companies Act, 2013 and the Listing Agreement, the Board on 29th May, 2014 renamed the "Compensation Committee" as "Nomination and Remuneration Committee" consisting of four (4) Non-Executive Directors of which majority are Independent Directors.

1. Objective

The Nomination and Remuneration Committee and this Policy is in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Clause 49 under the Listing Agreement. The Key Objectives of the Committee would be:

- a) to guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management
- b) to evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation of the Board
- c) to recommend to the Board on Remuneration payable to the Directors, Key Managerial Personnel and Senior Management

2. Definitions

- (a) **Key Managerial Personnel:** Key Managerial Personnel means—
 - (i) Chief Executive Officer or the Managing Director or the Manager;
 - (ii) Company Secretary;
 - (iii) Whole-time Directors;
 - (iv) Chief Financial Officer; and
 - (v) such other officer as may be prescribed.
- (b) **Senior Management:** Senior Management means personnel of the Company who are members of its core management team excluding the Board of Directors. This would also include all members of management one level below the executive Directors including all functional heads.

3. Role of Committee:

The role of the Committee inter alia will be the following:

- a) to formulate a criteria for determining qualifications, positive attributes and independence of a Director
- b) to recommend to the Board the appointment and removal of Senior Management
- c) to carry out evaluation of Director's performance and recommend to the Board appointment / removal based on his / her performance
- d) to recommend to the Board on (i) policy relating to remuneration for Directors, Key Managerial Personnel and Senior Management and (ii) Executive Directors remuneration and incentive
- e) to make recommendations to the Board concerning any matters relating to the continuation in office of any Director at any time including the suspension or termination of service of an Executive Director as an employee of the Company subject to the provision of the law and their service contract
- f) ensure that level and composition of remuneration is reasonable and sufficient, relationship of remuneration to performance is clear and meets appropriate performance benchmarks
- g) to devise a policy on Board diversity
- h) to develop a succession plan for the Board and to regularly review the plan

4. Membership

- a) The Committee shall consist of a minimum 3 non-executive Directors, majority of them being independent
- b) Minimum two (2) members shall constitute a quorum for the Committee meeting
- c) Membership of the Committee shall be disclosed in the Annual Report
- d) Term of the Committee shall be continued unless terminated by the Board of Directors

5. Chairman

- a) Chairman of the Committee shall be an Independent Director
- b) Chairperson of the Company may be appointed as a member of the Committee but shall not be a Chairman of the Committee

- c) In the absence of the Chairman, the members of the Committee present at the meeting shall choose one amongst them to act as Chairman
- d) Chairman of the Nomination and Remuneration Committee meeting could be present at the Annual General Meeting or may nominate some other member to answer the shareholders' queries

6. Frequency of Meetings

The meeting of the Committee shall be held at such regular intervals as may be required.

7. Secretary

The Company Secretary of the Company shall act as Secretary of the Committee.

8. Nomination Duties

The duties of the Committee in relation to nomination matters include:

- Ensuring that there is an appropriate induction & training programme in place for new Directors and members of Senior Management and reviewing its effectiveness
- Ensuring that on appointment to the Board, Non-Executive Directors receive a formal letter of appointment in accordance with the Guidelines provided under the Companies Act, 2013
- Identifying and recommending Directors who are to be put forward for retirement by rotation
- Determining the appropriate size, diversity and composition of the Board
- Setting a formal and transparent procedure for selecting new Directors for appointment to the Board
- Developing a succession plan for the Board and Senior Management and regularly reviewing the plan
- Evaluating the performance of the Board members and Senior Management in the context of the Company's performance from business and compliance perspective
- Making recommendations to the Board concerning any

matters relating to the continuation in office of any Director at any time including the suspension or termination of service of an Executive Director as an employee of the Company subject to the provision of the law and their service contract

- Delegating any of its powers to one or more of its members or the Secretary of the Committee
- Recommend any necessary changes to the Board
- Considering any other matters as may be requested by the Board

9. Remuneration Duties

The duties of the Committee in relation to remuneration matters include:

- to consider and determine the Remuneration Policy, based on the performance and also bearing in mind that the remuneration is reasonable and sufficient to attract, retain and motivate members of the Board and such other factors as the Committee shall deem appropriate all elements of the remuneration of the members of the Board
- to approve the remuneration of the Senior Management including key managerial personnel of the Company maintaining a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company
- to delegate any of its powers to one or more of its members or the Secretary of the Committee
- to consider any other matters as may be requested by the Board
- Professional indemnity and liability insurance for Directors and senior management

10. Minutes of Committee Meeting:

Proceedings of all meetings must be minuted and signed by the Chairman of the Committee at the subsequent meeting. Minutes of the Committee meetings will be tabled at the subsequent Board and Committee meeting.

ANNEXURE-III

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31.03.2016

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31.03.2016

To,
The Members,
GPT Infraprojects Limited
GPT Centre, JC-25, Sector-III, Salt Lake
Kolkata – 700 098

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by GPT Infraprojects Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by GPT Infraprojects Limited and also based on the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2016 ("Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by GPT Infraprojects Limited ("the Company") for the financial year ended on 31st March, 2016 according to the provisions of:

- (i) The Companies Act, 2013 ("the Act") and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign

Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not Applicable to the Company during the period under review)
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not Applicable to the Company during the period under review)
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not Applicable to the Company during the period under review)
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not Applicable to the Company during the period under review);

- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not Applicable to the Company during the period under review), and
- i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (vi) Other applicable laws generally applicable to the Industry / Company:
 - a) Factories Act, 1948
 - b) The Payment of Wages Act, 1936
 - c) The Minimum Wages Act, 1948
 - d) The Payment of Bonus Act
 - e) The Payment of Gratuity Act, 1972
 - f) Maternity Benefit Act, 1961
 - g) The Child Labour (Prohibition & Regulations) Act, 1986
 - h) The Environment (Protection) Act, 1986, read with the Environment (Protection) Rules, 1986
 - i) The Water (Prevention & Control of Pollution) Act, 1974, read with Water (Prevention & Control of Pollution) Rules, 1975
 - j) The Air (Prevention & Control of Pollution) Act, 1981 read with Air (Prevention & Control of Pollution) Rules, 1982
 - k) Employees Provident Funds & Misc. Provisions Act, 1952
 - l) Employees State Insurance Act, 1948
 - m) Industrial Disputes Act, 1947
 - n) West Bengal Shops & Establishment Act, 1963
 - o) Vat, Sales tax & Entry tax laws applicable in States & Union Territories
 - p) The Central Sales Tax Act, 1956
 - q) The Income Tax Act, 1961
- (vii) Other applicable laws specifically applicable to the Industry / Company:
 - a) Building and Other Construction Workers' (Regulation of Employment and Conditions of Service) Act, 1996
 - b) Building and Other Construction Workers' Welfare Cess Act, 1996
 - c) Contract Labour (Regulation and Abolition) Act, 1970
 - d) The Boiler Act, 1923

- e) The Sexual Harassment of Women At Workplace (Prevention, Prohibition and Redressal) Act, 2013
- f) The Central Excise, Customs & Service Tax Laws

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard-I and II issued by the Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange Limited & Calcutta Stock Exchange Ltd.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that there are no events or actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

Management discussion and analysis

Global economic overview

The economic turbulence of 2014 persisted in 2015, with global growth slowing from 2.6% in 2014 to 2.4% in 2015. Global commercial activity remained subdued, commodity prices declined and capital flows weakened. China's slowdown and economic rebalancing coupled with domestic and external challenges in Brazil and Russia further weakened the economy. South Asia was the exception, and countries like India along with a few commodity importing countries in East Asia remained robust in the face of challenging conditions, although growth in the region slowed from 6.1% in 2014 to 5.1% in 2015. While most developing economies suffered, major high-income countries continued growing, albeit modestly, driven by improving credit conditions.

Outlook

Global growth is expected to improve, with predictions of 2.9% growth in 2016 and 3.1% in 2017. While the normalisation could lead to higher borrowing costs, rising interest rates should encourage firms to front-load investments in the short run. The improvement in global growth is also predicted on easing of downward pressures on commodity price, which should encourage new investments and lift growth, particularly in the commodity dependent economies.

Indian economic overview

The Indian economy registered accelerated growth despite a slowdown in exports as commodity prices collapsed. The economy grew at 7.5% in 2015-16, driven by a strong growth in the domestic industry. Manufacturing growth increased to 9.5%, propelled by lower input costs and various governmental initiatives. Sub-sectors such as mining, construction and utilities showed moderate growth. Expansion in services also moderated to 9.2% due to slowing growth in public administration, defense and 'other services' categories. The financial, real estate and professional services grew by 10.3% on the back of an increase in bank deposits and credit growth in the second half of 2015-16. Inflation remained moderated at around 5% in line with the Central Government's targets.

Outlook

Growth is projected to be marginally lower in 2016 at 7.4%

as the slowdown in external demand offsets an increase in domestic demand. For 2017, growth is being estimated as high as 7.8-8%. Urban consumption is likely to be boosted by the salary hike for government employees in 2016. This will also push private sector wages higher and contribute to domestic consumption. A normal monsoon will lend a boost to the agriculture sector, which had remained subdued due to poor rainfalls in the past two years. Inflation might increase towards the end of 2016 to 5.4%, driven by rising oil prices and domestic demand. Exports are likely to contract 1.5% due to sluggish global growth and an appreciating rupee.

Indian infrastructure segment

The infrastructure sector in any country is vital to the country's development and growth. It is also a measure of a country's economic health. The infrastructure sector contributes 8% to the country's GDP, and is expected to touch 10% by 2017. This indicates that the segment is poised to grow extensively and provide ample opportunities to investors. The investment in this sector is projected to reach \$1,000 billion; approximately 70% of this is expected to be mobilized from private and foreign players even as currently, the bulk is derived from PPPs (Public Private Partnership).

Union Budget 2016-17 infrastructure initiatives:

- Total outlay for the infrastructure estimated at ₹2.21 trillion
- Central Government to partner with State Governments to revive small airports
- Central Government to incentivise gas production from deep seas
- Long-term plans to augment capacity in the nuclear power sector
- Ministry of Railways has proposed to undertake North-South, East-West and East coast Dedicated Freight Corridors (DFCs) through financing under the PPP model.

Clearing!

To improve the infrastructure sector to drive growth of the country, the Prime Minister has already cleared stuck projects worth ₹4 lakh crore.

ROADS

India has the second largest road network in the world spanning 52.3 lac km in expressways, national highways, state highways, major district roads and rural roads. A total of 599 highway projects covering around 12,903 km of National Highways have been sanctioned, incurring an expenditure of ₹108,000 crore (US\$ 16.2 billion). The Central Government, through a series of initiatives, is implementing policies to attract significant investor interest. The Indian Government plans to develop a total of 66,117 km of roads under different programmes such as NHDP (National Highways Development Project), SARDP-NE (Special Accelerated Road Development Programme in North East) and LWE (Left Wing Extremism) with an objective to build 30 km of road a day during the ongoing fiscal. The major benefits of this game changing initiative will be provision of more efficient public transport facilities, greater public convenience, enhanced investments and job creation, among others.

Union Budget 2016-17 initiatives pertaining to the roads and roadways sector:

- The roads and roadways sector was allocated ₹27,000 crore for rural road building
- 65 eligible habitats are likely to be connected via 2.23 lac km of road
- Nearly 85% of stalled projects are to be brought back on track
- ₹55,000 crore for overall roads and highways development and an additional ₹15,000 crore are likely to be raised by the NHAI through bonds issuance
- The pace of road projects completion is to be raised to 10,000 km by end of the budgetary period

Outlook

MoRTH is targeting the construction of 25,000 km of roads by end-2016, which is 2.5x higher than 2015-16. The Setu Bharatam project has also identified 1,500 British era bridges

which are worn down, and will be improved by replacement, widening or strengthening in a phased manner at a cost of approximately ₹30,000 crore. The Central Government has also signed an agreement with the Asian Development Bank to construct 6,000 km of all-weather roads in Assam, Chhattisgarh, Madhya Pradesh, Orissa and West Bengal by December 2017. The government introduced the Hybrid Annuity Model (HAM) in January 2016 to attract investors under the PPP model and award road projects to contractors, whereby 40% of the project cost is funded by the government and the remaining 60% has to be funded by the contractor. This cushions the contractor from inflation and traffic risks while allowing speedier project execution.

Bids have already been invited from consultancies to prepare Detailed Project Reports of all weak bridges. The MoRTH also established an Indian Bridge Management System at the Indian Academy for Highway Engineering at Noida to survey entire India's bridge infrastructure and prepare an inventory of all bridges over National Highways. Some 50,000 bridges were added to the inventory; the first phase is expected to be completed by June 2016, the first time that such a large database is being established on the country's bridge infrastructure. This will catalyse the maintenance and replacement of bridge infrastructure, preventing overweight and over-dimensioned bridge consignments.

Free highways!

The Government of India has undertaken the ambitious Setu Bharatam project - a ₹50,800 crore projects to free all the national highways from railway level crossings by 2019. Under this project, 208 new bridges for ₹20,800 crore will be built. Another 1,500 old bridges will be reconstructed at a cost of ₹30,000 crore within the mentioned time period.

RAILWAYS

The Indian Railways is the largest rail network in Asia and the fourth largest in the world. It transports around 23 million passengers a day, equivalent to the entire population of Australia. It is also the seventh largest employer in the world, staffing over 1.4 million people. Some 7,146 stations spread across approximately 65,806 km form the backbone of long-distance travel and transportation of bulk commodities. Railways are making a slow, and purposeful progress, as indicated by revenue earnings in December 2015, at ₹111,834 crore, which were 6.67% higher than in December 2014 and achieving a pace of 7 km per day, for commissioning of broad gauge lines in 2015.

Safety as an issue has also been addressed, with 970 ROB/RUBs and other safety-related works to eliminate 3,438 level crossings at a total sanctioned Railway expense of ₹6,581 crore, which is 2600% higher than the previous year covering most States in Budget 2015-16. To rejuvenate the sector, the Central Government launched initiatives under the Make in India campaign, foremost being the ₹40,000 crore locomotive project in Madhepura and Marhora in Bihar.

In 2005, when the concept of DFCs (Dedicated Freight Corridors) was announced, the Ministry of Railways was struggling to clear bottlenecks which caused project delays. However, the project seems to be picking pace, as the double line Western DFC (1,504 km) and Eastern DFC (1,856 km) are already under implementation, while North-South, East-West and East corridor projects have been proposed in the 2016-17 Union budget. Over the past year contracts worth ₹17,590 crore were awarded for civil, electrical and S&T work on both Eastern and Western corridors. The Cabinet Committee on Economic Affairs (CCEA) has approved a revised cost of ₹81,459 crore for DFCs. Land acquisition so far has reached 81% and the projects look poised to take off soon. A dedicated corridor, besides achieving extensive decongestion, will also allow freight trains to be 800

meters longer, have 62 more wagons and carry an extra 8,000 tonnes of goods over the current freight trains deployed in the railways. They will also run a higher average speed of 75 kmph, up from the current 25 kmph. This will reduce transit time more than half, and thus would be the most vital backbone of the country's trade and logistics.

Initiatives announced in the Union Budget 2016-17 pertaining to the railways sector:

- ₹1.21 lac crore allocated for the railways sector
- Capital expenditure outlay of ₹8,560 billion announced over the next five years
- All unmanned level crossings to be eliminated by 2020
- Broad gauging of the Lumding-Silchar section in Assam, connecting Barak Valley with rest of country to be started
- North Eastern India, especially Mizoram and Manipur, to be soon connected through broad gauge
- Special purpose vehicle for the Ahmedabad-Mumbai high speed corridor registered in March 2016
- Work for doubling of two rail bridges on the Jalandhar-Jammu line to be commissioned by March 2016; two more rail bridges to be completed by 2016-17

Outlook

Spending has been a chronic problem plaguing the India Railways for a few years. Out of the total transport spending, the spending on railways was approximately 56% in the 7th five year plan and it has since then declined to 30% in the 11th five year plan. However, the scenario is set to change, as the 2016-17 rail budget has revealed an ambitious capital expenditure plan of ₹8.56 trillion over FY16-20 along with a contribution from LIC amounting to ₹1.5 trillion. With the primary issue taken care of, development of the country's secondary transport backbone is likely to accelerate. Within the outlay, decongestion

efforts include DFCs, electrification and doubling of lines, with an allocation of ₹1,993 billion over five years.

Fast tracking of project approvals has reduced the turnaround time from announcement to commencement, and out of 77 projects for track doubling that were announced in FY16, detailed project reports have been prepared for all of them, while 41 projects have already been approved as of March, 2016. The budget has announced 90 new projects involving a total investment of ₹126,172 crore covering about 8,432 km for the construction of new lines, doubling of existing lines, gauge conversion and the Metropolitan Transport Project (MTP). 1,000 unmanned level crossings and 350 manned level crossings are proposed to be closed. Besides current ROB & RUB projects due for completion, work is underway for an additional 1,350 of them. The total spending outlay on safety, including renewal of tracks, bridge repair work, over/under bridges and signaling is pegged at ₹1,270 billion over

FY16-20, with proposals to award projects under the PPP model. The government has also allowed 100% FDI in the sector under the automatic route to speed up development. The Ministry is mulling over plans for electrification of the remaining 35,000 km of rail track which still runs diesel locomotives, by 2020. This could save the country ₹16,000 crore in forex.

Meanwhile, the pace for commissioning of broad gauge lines is expected to increase to 13 km per day in 2017-18 and 19 km per day in 2018-19. Besides current and announced ROB/RUB projects, the 'Setu Bharatam' project will ensure all highways are free from railway crossings by 2019. A total of 208 such crossings have been identified and ROBs are to be constructed at a cost of ₹20,800 crore to decongest roadways and ensure smooth railway operations. To increase daily passenger carrying capacity from 21 million to 30 million: increase track length by 20% from 114,000 km to 138,000 km.

PORTS

As of 2015, approximately 95% of India's trading by volume, and 70% of trade by value is handled through 12 major and 187 non-major ports. The total fleet strength stood at 1,246 vessels with a gross registered tonnage of 10.51 million (December 2015). The traffic handled at major ports in 2015-16 (until December 2015) was 447 million tonnes. India is the 16th largest maritime country in the world, with a coastline of 7,517 km. Realising the importance of the shipping and port services sector, the Central Government has allowed 100% FDI in the sector under the automatic route and also has allowed a 10-year tax holiday to all enterprises that develop, operate and maintain ports, inland waterways and inland ports. The target is to raise the sector's erstwhile negligible GDP contribution to 2% by 2020.

Initiatives announced in the Union Budget 2016-17 for the ports sector:

- A sum of ₹12 lac crore to be channelised towards the development of ports, allied infrastructure and industrial clusters
- The Sagarmala project has been rolled out under which new greenfield ports will be developed on Eastern and Western coasts and 10 million jobs will be created

- 12 major ports of India witnessed a capacity addition of 94 million tonnes in the fiscal ended March 2016, setting a record for the highest capacity addition in a year
- Indian ports earned ₹4,268 crore in profits, an increase of about ₹670 crore compared to the previous year
- A customs single window project will be implemented from the next financial year

Outlook

Under the flagship Sagarmala project, an estimated ₹3 lac crore will be channeled towards port sector development. The passage of the National Waterways Bill is a major step in the right direction, under which inland waterways are expected to be extended to 14,500 km. This will be a cost-effective way of shipping goods inside the country. Case in point: transport by roadways and railways costs ₹2.50 and ₹1.50 per km, respectively, while transport by waterways costs just 25 paise. The share of coastal waterways transport is expected to increase from 7% to 10% of the country's transportation by 2019-20. Furthermore, the target of the maritime industry is to raise ports capacity to 3,130 million tonnes by 2020 for an investment of ₹296,000 crore.

AIRPORTS

The aviation industry is an important sector interlinked with other sectors and assists global commerce and tourism. The presence of adequate infrastructure is a mandate in today's globalized world and a well-connected aviation network is essential for helping people and businesses to assist economic growth. The total passenger traffic in FY15 (April-December) was 164 million people, registering a growth of 17%. Freight traffic also increased to 2.02 million tonnes, growing by 5.9%. India is the ninth largest aviation market with a market size of approximately \$16 billion.

Initiatives announced in the Union Budget 2016-17 for the airports sector

- Revival of 160 underserved airports to be made underway to improve regional and local connectivity

Outlook

The Indian aviation industry still has enormous growth potential. The target is to become the third-largest aviation market by 2020 and the largest by 2030. Under the 12th Five Year Plan, the Central Government opened up the possibility of private players to develop airports under the PPP model. Six airports are currently being developed, and the AAI plans to have approximately 250 airports operational by 2020. Passenger traffic is expected to reach around 370 million in 2020, with domestic traffic accounting for 80% of the total traffic.

POWER

The power sector in India is diverse, and the country generates power from a variety of sources, such as coal, oil, gas, lignite, hydro, nuclear, solar, wind and biomass. Coal still is the main source of power in India, and as for reserves, the GSI has assessed coal resources of 306.595 billion tonnes up to a depth of 1,200 meters in April 2015, of which proven reserves are 132 billion tonnes. India has witnessed a meteoric rise in power demand. Consumption during 2015-16 stood at 1.1 trillion units and generation was at 1,107 billion units, and the power shortage was at its lowest figure of 2.1%.

Initiatives announced in the Union Budget 2016-17 pertaining to the power sector:

- Complete rural electrification proposed by 1st May 2018
- A comprehensive plan to augment investment in the nuclear power sector

- Subsidy of ₹26,947 crore to be provided to the oil sector in 2016-17
- Accelerated depreciation benefit for renewable energy to be reduced from 80% to 40%
- Clean energy cess doubled on coal, lignite and peat from ₹200 a tonne to ₹400 a tonne

Outlook

Gas-based power generation, which is currently negligible, could be ramped up. The Central Government has expressed an interest in contracting 70-80 million metric standard cubic metres of natural gas at affordable rates to increase capacity. The Central Government's efforts to end its reliance on coal imports over the next couple of years could save approximately ₹40,000 crore in import bills. Electricity consumption is expected to grow 10% annually over 10-15 years and by 2030, consumption is expected to reach 4 trillion units.

Report On Corporate Governance

In accordance with Clause 49 of the Listing Agreement and Schedule V pursuant to Regulation 34(3) and 53(f) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulation") with the stock exchanges of India, the report containing details of governance systems and processes at GPT Infraprojects Limited is as under:-

1. The Company's philosophy on Code of Governance

- Ensure that the quantity, quality and frequency of financial and managerial information, which the management shares with the Board, fully places the Board Members in control of the Company's affairs.
- Ensure that the Board exercises its fiduciary responsibilities towards shareowners and creditors, thereby ensuring high accountability.
- Ensure that the extent to which the information is disclosed to present and potential investors is maximized.
- Ensure that decision-making is transparent and documentary evidence is traceable through the minutes of the meetings of the Board / Committee thereof.
- Ensure that the Board, the management, the employees and all concerned are fully committed in maximizing long-

term values to the shareowners and the Company.

- Ensure that the core values of the Company are protected.
- Ensure that the Company positions itself from time to time to be at par with other world-class companies in operating practices.

2. Board of Directors

2.1 Composition and Category of Directors

As on 31st March 2016, the Board comprises Ten Directors, of which seven are Non-Executive Directors comprising five Independent Directors, one Nominee Director of private equity investor and the Non-Executive Chairman, and three others are Executive Directors. The Company's day-to-day affairs are being managed by three Executive Directors, one of whom is designated as the Managing Director of the Company.

2.2 Board Composition and attendance at Board meetings and last Annual General Meeting and particulars of other Directorships, Chairmanships / Memberships

Sl. No.	Name and designation of Director	Status	Board meetings during FY 2015-16		Attendance in last AGM	Other companies (number)		
			Held	Attended		Directorship	Committee Chairmanship	Committee Membership (including Chairmanship)
1.	Mr. Dwarika Prasad Tantia, Chairman	Non-Executive / Promoter Director	5	5	Yes	5	Nil	Nil
2.	Mr. Shree Gopal Tantia, Managing Director	Executive / Promoter Director	5	4	Yes	3	Nil	Nil
3.	Mr. Atul Tantia, Executive Director	Executive / Promoter Director	5	4	Yes	4	Nil	1
4.	Mr. Vaibhav Tantia, Director & COO	Executive / Promoter Director	5	4	Yes	1	Nil	Nil
5.	Mr. Viswa Nath Purohit, Director	Non-Executive / Independent Director	5	5	Yes	2	4	4
6.	Dr. Nitindra Nath Som, Director	Non-Executive / Independent Director	5	5	Yes	1	Nil	Nil
7.	Mr. Kunal Kumthekar, Director	Non-Executive / Nominee Director	5	2	No	5	Nil	Nil
8.	Mr. Sunil Patwari, Director	Non-Executive / Independent Director	5	2	No	8	Nil	3

The Company Secretary acts as the Secretary of the Committee.

4. Nomination and Remuneration Committee (NRC)

The terms of reference of Nomination and Remuneration Committee are completely aligned with the terms laid down in the Companies Act, 2013, Clause 49 of the Listing Agreement and Regulation 19 read with Schedule II Part D of the Listing Regulation. The brief description of the terms of reference of the Nomination and Remuneration Committee is as follows:

4.1 Terms of Reference

- a) To identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, to recommend to the Board their appointment and removal and carry out evaluation of every director's performance.
- b) To formulate the policy / criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees.
- c) To formulate the criteria for evaluation of Independent Directors and the Board as well as to devise a policy on Board diversity.
- d) To recommend / approve the appointment of Directors including Whole-time Directors, Managing Directors and Key managerial personnel.
- e) To recommend / approve terms, conditions, remuneration and compensation of Whole-time Directors, Managing

Directors and Key managerial personnel including commission on profits to Directors.

- f) To frame / review the remuneration policy in relation to Whole-time Directors / Managing Director, Senior Officers of the Company.
- g) To determine and recommend the Compensation for loss of office of managing or whole-time director or manager of the Company under section 202 of the Companies Act, 2013.
- h) To recommend / approve the related party's appointment to any office or place of profit in the company, its subsidiary company or associate company along with its terms, conditions and compensation under section 188(1)(f) of the Companies Act, 2013.
- i) To consider, recommend and / or approve Employee Stock Option Schemes and to administer and supervise the same.
- j) To formulate / modify the detailed terms and conditions of the Employee Stock Option Scheme including quantum of option, exercise period, the right of an employee.
- k) To provide for the welfare of employees or ex-employees, Directors or Ex-Directors and the wives, widows, and families of the dependents or connections of such persons.
- l) To frame suitable policies and systems to ensure that there is no violation of SEBI regulations.
- m) To perform such other functions consistent with applicable regulatory requirements

4.2 Composition of Committee, Name of Members and Chairperson and attendance of members

The Nomination and Remuneration Committee of the Board comprises four Non-Executive Directors of which two are Independent Directors, one is a Nominee Director and the other is a Non-Executive Director. The Committee is headed by Mr. Sunil Patwari, Independent Director of the Company.

The Company Secretary acts as the Secretary of the Committee.

Sl. No.	Name of Director and position	No. of Committee meeting held during FY 2015-16 and attendance		
		26 th May, 2015	13 th August, 2015	9 th November, 2015

2.	Mr. Dwarika Prasad Tantia, Member, Non-Executive Director	Yes	Yes	Yes
3.	Mr. Kunal Kumthekar, Member, Non-Executive Nominee Director	Yes	No	Yes
4.	Mr. Viswa Nath Purohit, Member, Non-Executive Independent Director	Yes	Yes	Yes

4.3 Performance Evaluation Criteria for Independent Directors

Some of the specific issues and questions that are considered in the performance evaluation of an Independent Director, (the exercise in which the concerned director being evaluated shall not be included) are set out below:

Sl. No.	Assessment Criteria
1.	Attendance and participations in the Meetings and timely inputs on the minutes of the meetings.
2.	Adherence to ethical standards & code of conduct of Company and disclosure of non – independence, as and when it exists and disclosure of interest.
3.	Raising of valid concerns to the Board and constructive contribution to resolution of issues at meetings.
4.	Interpersonal relations with other Directors and management.
5.	Objective evaluation of Board's performance, rendering independent, unbiased opinion, etc.
6.	Understanding of the Company and the external environment in which it operates and contribution to strategic direction.
7.	Safeguarding interest of whistle-blowers under vigil mechanism and safeguarding of confidential information.

Based on the above criteria each of the Independent Directors are assessed by the other directors (including other Independent

Directors) by giving a rating of Surpasses Expectations (3) or Meets Expectations (2) or Below Expectations (1). The total of the ratings so awarded are averaged over the number of persons who have awarded the rating.

5. Remuneration of Directors

5.1 All pecuniary relationship of transactions of Non-Executive Directors

There are a total of seven Non-Executive Directors in the Company. Six of the Non-Executive Directors draw sitting fee of ₹20,000/- for attending each Board Meeting (increased from ₹7,500/- by approval of the Board at their meeting held on 26th May, 2015) and ₹15,000/- for attending each of the Committee Meetings (increased from ₹5,000/- by approval of the Board at their meeting held on 26th May, 2015).

Mr. S.J. Deb, a Non-Executive Director had requested for voluntary waiver of sitting fees payable to him for attending the Board and Committee Meetings of the Company, which the Board approved in the Board Meeting held on 26th May, 2015.

Mr. Dwarika Prasad Tantia, the Non-Executive Chairman of the Company, draws the said amount of sitting fee for attending the Board and Committee Meetings of the Company and is also entitled to Commission at a rate of 1% of net profits of the Company for a period of three years commencing on 1st April, 2014 and ending on 31st March, 2017, as approved by the shareholders of the Company at their meeting held on 29th August, 2014.

These are the only criteria for making payment to the Non-Executive Directors of the Company.

13. Disclosures

a. Disclosure on materially-significant related party transactions of the Company, that may have potential conflict with the interests of the Company at large

The Company does not have any material-related party transactions, which may have potential conflict with its interests at large. In any case, disclosures regarding the transactions with related parties are given in the notes to the Accounts of financial statements.

b. Details of non-compliance by the Company, penalties, strictures imposed on the Company by the Stock Exchanges or SEBI or any statutory authority, on any matter related to Capital Markets during the last three years

There has not been any non-compliance on part of the Company or any payment of any penalty this year to the Stock Exchange, SEBI or any statutory authority on any matter related to capital markets.

During the year 2014-15, an amount of ₹6,742/- was paid towards payment of penalties for Non-Compliance of Clause 31 of the Listing Agreement.

c. Details of establishment of Vigil Mechanism, Whistle Blower Policy and affirmation that no personnel has been denied access to the audit committee

The Company in its Board Meeting dated 29th May, 2014, adopted the Vigil Mechanism, Whistle Blower Policy. The Company's code of conduct encourages all its employees who have concerns about their work or the business of the Company, to discuss these issues with their line managers. The employees also have free access to Human Resource and Audit Committee for resolving their concerns.

As per the requirement of the Companies Act, 2013, old Clause 49 of the Listing Agreement and Regulation 22 of the Listing Regulation, the Company has framed its Whistle Blower (Vigil Mechanism) Policy to enable all employees and their directors to report in good faith and violation of the Code of Conduct as stated in the policy.

d. Details of compliance with mandatory requirements and adoption of the non-mandatory requirements

The Company has complied with all mandatory requirements under Clause 49 of the Listing Agreement and all applicable provisions under the Listing Regulation.

e. Web link where policy for determining 'material' subsidiaries is disclosed

http://www.gptinfra.in/investors/corporate_policies.php

f. Web link where policy on dealing with related party transactions is disclosed

http://www.gptinfra.in/investors/corporate_policies.php

g. Disclosure of commodity price risks and commodity hedging activities

There are no commodity price risks or commodity hedging activities involved.

14. Disclosure on discretionary requirements as specified in Part E of Schedule II of the Listing Regulation

a. The Board

Has a Non-Executive Chairman. The expenses incurred by him in the performance of his duties are reimbursed.

b. Shareholder's Rights

The Company publishes quarterly unaudited financial results

in the newspapers and is also displayed it on the Company's website www.gptinfra.in. Accordingly, it does not envisage sending the same separately to the shareholders.

c. Modified opinion(s) in audit report

The Company endeavors to maintain a regime of unmodified audit opinion.

d. Separate posts for chairperson and chief executive officer

The Company has appointed separate persons to the post of chairperson and managing director or chief executive officer.

e. Reporting of internal auditor

The internal auditor reports directly to the audit committee and submits their reports directly to the audit committee.

15. Compliance with the Corporate Governance requirements under the Listing Regulation

The Company discloses that it has complied with the corporate governance requirements specified under Clause 49 of the Listing Agreement and under Regulation 17 to 27 and clauses (b) to (i) of sub regulation (2) of Regulation 46 of the Listing Regulation.

Subject: Compliance with Code of Conduct

As required under Clause 49(I)(D) of the Listing Agreement with the Stock Exchanges and Schedule V under Regulation 34(3) and 53(f) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, I hereby declare that all the Members of the Board of Directors and Senior Management Personnel of the Company have affirmed compliance with the Code of Conduct of the Board of Directors and Senior Management for the year ended 31st March, 2016.

Managing Director

Company Secretary Certificate on Corporate Governance

To
The Members of
GPT Infraprojects Limited

We have examined the compliance of conditions of Corporate Governance by GPT Infraprojects Limited, for the year ended on 31st March, 2016, as stipulated in clause 49 of the Listing Agreement of the said Company with stock exchanges for the period 1st April, 2015 to 30th November, 2015 and as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR) as referred to in Regulation 15(2) of the LODR for the period 1st December, 2015 to 31st March, 2016.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement/LODR, as applicable.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

The Board of Directors
GPT Infraprojects Limited

We, S. G. Tantia, Managing Director and A. K. Dokania, Chief Financial Officer of GPT Infraprojects Limited certify to the Board that, we have reviewed financial statements and the cash flow statement for the year ended 31st March 2016.

1. To the best of our knowledge and belief, we certify that:
 - a) These statements do not contain any materially-false statement or omit any material fact nor do they contain statements that might be misleading;
 - b) These statements together present a true and fair view of the Company, and are in compliance with the existing Accounting Standards, applicable laws and regulations;
 - c) There are no transactions entered into by the Company during the year that are fraudulent, illegal or which violates the Company's Code of Conduct.
2. We accept the responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting; and deficiencies in the design or operation of such internal controls, if any of which we are aware have been disclosed to the Auditors and the Audit Committee and steps have been taken to rectify these deficiencies.
3. We have indicated to Auditors and Audit Committee that:
 - a) There has not been any significant change in internal control over financial reporting during the year under reference;
 - b) There are no significant changes in accounting policies during the year; and
 - c) We are not aware of any instance during the year of significant fraud with involvement therein of the management or any employee having a significant role in the Company's internal control system over financial reporting.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
GPT Infraprojects Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of GPT Infraprojects Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, in which are incorporated the returns for the year ended on that date audited by the branch auditors of the Company's branch at Mozambique.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for qualified opinion

Attention is invited to note 27(C) to the standalone financial statements regarding unbilled revenue, accrued price escalations and trade receivables, all classified by management as current, on certain significantly completed construction contracts aggregating ₹3,530.33 lacs, which are yet to be billed / realised by the Company and that are largely outstanding for more than 3 years. Due to the uncertainties over the eventual billings / collections of the said amounts, we are unable to comment on the appropriateness or otherwise of the aforesaid balances being carried forward or their classification as current in these standalone financial statements including the extent of recoverability of the above asset balances, the period over which these are expected to be recovered and any other consequential impact that may arise in this regard.

Qualified opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, of its profit and its cash flows for the year ended on that date.

Emphasis of Matter

Without qualifying our opinion, attention is drawn to note no. 27(B) of the standalone financial statements regarding discontinuation of execution of an EPC contract by the Company

(such contract was received from its subsidiary) pursuant to the termination of a concession agreement between the subsidiary and its customer and the uncertainty on recoverability of net assets aggregating ₹1,922.06 lacs as at March 31, 2016.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and, except for the matter described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branch not visited by us;
 - (c) The report on the accounts of the foreign project site of the Company audited under section 143 (8) of the Act by the branch auditor has been sent to us and have been properly dealt with by us in preparing this report;
 - (d) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from the branch not visited by us;
 - (e) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (f) The matter described in the Basis for Qualified Opinion paragraph and Emphasis of Matter paragraph, in our opinion, may have an adverse effect on the functioning of the Company;
 - (g) On the basis of written representations received from the directors as on March 31, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of section 164 (2) of the Companies Act, 2013;
 - (h) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.

- (i) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 27(A) and 27(B) to the financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Other Matters

1. We did not audit financial statements of the Company's joint ventures, whose financial statements reflect the Company's share of ₹119.03 lacs in the net loss of the joint ventures for the year ended March 31, 2016. Those financial statements and other financial information have been audited by other auditors whose report has been furnished to us. Our opinion, in so far as it relates to the share of loss of the joint ventures, is based solely on the reports of other auditors. Our opinion is not qualified in respect of this matter.
2. The accompanying standalone financial statements include total assets of ₹560.17 lacs as at March 31, 2016, and loss before tax of ₹326.82 lacs for the year ended on that date, in respect of a foreign project site, which has been audited by the branch auditor, which financial statements, other financial information and auditor's reports have been furnished to us. Our opinion, in so far as it relates to amounts and disclosures included in respect of this foreign project site is based solely on the report of such branch auditors. Our opinion is not qualified in respect of this matter.

Annexure 1 referred to in paragraph 1 under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of GPT Infraprojects Limited as at and for the year ended March 31, 2016

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given by the management, the title deeds of immovable properties included in fixed assets are held in the name of the Company.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
- (iii) (a) The Company has granted loans to two companies covered in the register maintained under section 189 of the Companies Act, 2013. In our opinion and according to the information and explanations given to us the terms and conditions of the loans were not prejudicial to the Company’s interest.
- (b) The above loans and interest thereon were repayable on demand. As informed, the loans were fully received as and when demanded and thus, there was no default on part of the borrowers. We have been informed that borrowers were regular in payment of interest on such loans.
- (c) The loans granted, as mentioned above, have been fully repaid as on the balance sheet date and as such, there are no amounts of loans granted to companies, firms or other parties listed in the register maintained under section 189 of the Companies Act, 2013 outstanding for more than ninety days as at the balance sheet date.
- (iv) In our opinion and according to the information and explanations given to us, provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans to directors including entities in which they are interested and in respect of loans and advances given, investments made and, guarantees, and securities given have been complied with by the Company.
- (v) The Company has not accepted any deposits from the public.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) Undisputed statutory dues in respect of sales tax, wealth tax, customs duty and value added tax have generally been regularly deposited with appropriate authorities. However, such dues in respect of provident fund, employees’ state insurance, income-tax, service tax, excise duty, and other material statutory dues have not been regularly deposited with appropriate authorities and there have been serious delays in large number of cases.
- (b) According to the information and explanations given to us, undisputed dues in respect of provident fund, employees’ state insurance, income-tax, service tax, sales tax, custom duty, excise duty, value added tax, cess and other material statutory dues which were outstanding, at the year end, for a period of more than six months from the date they became payable, are as follows:

Name of the Statute	Nature of Dues	Amount (₹ in lacs)	Period to which the amount relates	Due date	Date of Payment
Income Tax Act, 1961	Income tax deducted at source	23.89	February '15- August '15	March '15 - September '15	Not yet paid
Income Tax Act, 1961	Dividend Distribution Tax	24.72	February '15	February '15	Not yet paid
Income Tax Act, 1961	Income tax collected at source	0.69	January '14 - July '15	February '14 - August '15	Not yet paid
Finance Act, 1994	Service Tax	5.41	May '14 - August '15	June'14 - September'15	Not yet paid

(c) According to the records of the Company, the dues outstanding in respect of income-tax, sales-tax, service tax, duty on custom, duty of excise and value added tax on account of any dispute, are as follows:

Name of the Statute	Nature of Dues	Amount (₹ in lacs)	Period to which the amount relates	Forum where dispute is pending
Central Excise Act, 1944	MODVAT Credit disallowed for subsequent endorsement of third party invoice in favour of the Company	92.16	1991-92	Commissioner of Central Excise (Appeal), Kolkata
Central Excise Act, 1944	Disallowance of Input Credit on Consumption of Welding Electrodes from FY 2008-09 to 2013-14	3.19	2008-09 2009-10 2010-11 2011-12 2012-13 2013-14	Commissioner of Central Excise (Appeal), Kolkata
West Bengal Value Added Tax Act, 2003	Various Disallowances of Labour, Supervision charges, payments to subcontractors, works contract tax, etc. from Taxable Contractual Transfer Price, export sales and part disallowance of input tax credit	874.35	2009-10 2010-11 2011-12 2012-13	West Bengal Appellate Forum, Kolkata and West Bengal Commercial Taxes Appellate & Revisional Board, Kolkata
Central Sales Tax Act, 1956	Central sale tax levied on reimbursement of inspection and freight charges and on pending C forms	4.35	2011-12	West Bengal Commercial Taxes Appellate & Revisional Board, Kolkata
Central Sales Tax Act, 1956	Central Sales tax levied on stock transfer to branch at Arunachal Pradesh	47.70	2012-13	West Bengal Appellate Forum, Kolkata
Central Excise Act, 1944	Excise duty levied on excess consumption of SGCI inserts	0.41	2006-07	Commissioner of Central Excise (Appeal), Kolkata
Finance Act, 1994	Service tax levied on Goods Transport Agency services	0.72	2008-09	Commissioner of Central Excise (Appeal), Kolkata

- (viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of dues to banks. The Company did not have any outstanding debentures or dues in respect of a financial institution or to government during the year.
- (ix) In our opinion and according to the information and explanations given by the management, the Company has utilised the monies raised by way of term loans for the purpose for which they were raised. The Company has not raised any money by way of initial public offer / further public offer / debt instruments.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report

that no fraud by the Company or no material fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.

- (xi) According to the information and explanations given by the management, the managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act,

2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.

(xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, reporting requirements under clause 3(xiv) are not applicable to the Company and not commented upon.

(xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons or persons

connected with him as referred to in section 192 of Companies Act, 2013.

(xvi) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

Annexure 2 to the Independent Auditor's Report of even date on the Standalone Financial Statements of GPT Infraprojects Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of GPT Infraprojects Limited ("the Company") as of March 31, 2016, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be

detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the Company's internal financial controls over financial reporting as at March 31, 2016:

- a) The Company's internal financial controls for evaluation of recoverability of unbilled revenue, accrued price escalations and trade receivables on significantly completed construction contracts were not operating effectively as on March 31, 2016, which could potentially result in the Company not recognising appropriate provision in the financial statements in respect of receivables that are doubtful of recovery.
- b) The Company's internal financial controls for classification of unbilled revenue, accrued price escalations and trade receivables on significantly completed construction contracts as current were not operating effectively as on March 31, 2016, which could potentially result in the Company not appropriately classifying the above receivables as non-current.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial

reporting as of March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2016.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the standalone financial statements of GPT Infraprojects Limited, which comprise the Balance Sheet as at March 31, 2016, and the related Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. This material weakness was considered in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2016 standalone financial statements of GPT Infraprojects Limited and this report does not affect our report dated May 25, 2016, which expressed a qualified opinion on those financial statements.

Notes to the Financial Statement as at and for the year ended 31st March 2016

1. Corporate information

GPT Infraprojects Limited (the Company) is a listed public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is primarily engaged in Construction Activities for Infrastructure projects. Besides, the Company is also engaged in Concrete Sleeper Manufacturing business.

2. Summary of significant accounting policies

a) Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies applied by the Company are consistent with the previous year.

b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods.

c) Tangible Fixed Assets

Tangible Fixed assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. The Cost of acquisition comprises purchase price inclusive of duties (net of CENVAT / VAT), taxes, directly attributable incidental expenses, erection / commissioning expenses, borrowing cost if capitalization criteria are met, etc. incurred upto the date the asset is ready for its intended use.

Machinery Spares which can be used only in connection with a particular item of Fixed Assets and whose use, as per the technical assessment, is expected to be irregular are capitalized and depreciated proportionately over the residual life of the respective assets.

Gain or losses arising from derecognition of tangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss when the assets are derecognized.

From accounting periods commencing on or after 1st April, 2011, the Company adjusts exchange differences arising on translation / settlement of long-term foreign currency monetary items pertaining to the acquisition of a depreciable asset to the cost of the asset and depreciates the same over the remaining life of the asset.

d) Intangible Fixed Assets

Intangible assets are carried at cost of acquisition less accumulated amortization and impairment losses, if any. The Cost of acquisition comprises purchase price inclusive of duties (net of CENVAT / VAT), taxes, etc.

Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Gain or losses arising from derecognition of intangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss when the assets are derecognized.

Notes to the Financial Statement as at and for the year ended 31st March 2016

e) Depreciation & Amortization

Tangible Fixed Assets

- i. The classification of Plant and Machinery into continuous and non-continuous process is done as per technical certification and depreciation thereon is provided accordingly.
- ii. Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management which is in line with the useful lives as specified in Schedule II to the Companies Act, 2013, except for Steel Shutterings which are depreciated over a period of five years from the year of addition based on management's technical evaluation.
- iii. Depreciation on Insurance Spares / standby equipments is provided over the useful lives of the respective mother assets.
- iv. Depreciation on fixed assets added / disposed off during the year, is provided on pro-rata basis with reference to the date of addition / disposal.

Intangible Fixed Assets

Computer softwares are amortized on a straight line basis over their useful life of 3 years.

f) Impairment of tangible and intangible fixed assets

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which is the greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre- tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets.

g) Leases

Finance Leases, which effectively transfer to the Company, substantially, all the risks and benefits incidental to the ownership of the leased items, are capitalized at the lower of the fair value and present value of the minimum lease payment at the inception of lease term and disclosed as leased assets.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

h) Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

i) Investments

Investments that are readily realizable and intended to be held for not more than a year from the date on which such investments are made are classified as current investments. All other investments are classified as long-term investments. Long term investments are considered at cost, unless there is an "other than temporary" decline in value thereof, in which case, adequate provision for diminution is made in the financial statements. Current Investments are carried at lower of cost and fair value on an individual investment basis.

j) Inventories

- (i) Closing stock of stores and spares and raw materials (except for those relating to construction activities) are valued at

Notes to the Financial Statement as at and for the year ended 31st March 2016

lower of cost computed on 'Weighted Average' basis and net realizable value. However, materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes expenses incidental to procurement thereof.

- (ii) Finished goods and work in progress (except for those relating to construction activities) are valued at the lower of cost (computed on weighted average basis) and net realizable value. Costs in respect of finished goods include direct material, labour and an appropriate portion of overhead costs and excise duty.
- (iii) Construction work in progress is valued at cost.
- (iv) Stores, components, etc. and construction materials at sites to be used in contracts are valued at cost which is ascertained on 'Weighted Average' basis.
- (v) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

k) Revenue recognition

Construction contracts

Revenue on construction contracts is recognized on percentage completion method based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bears to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies, which being technical matters have been relied upon by the auditors. Revisions in projected profit or loss arising from change in estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements as the effect thereof cannot be accurately determined.

Variations in contract work are recognized to the extent that it is probable that they will result in revenue and are capable of reliably measured.

Revenue from the Company's entitlement to price variances on input costs subject to compliance with certain terms and conditions as per terms of contracts are recognized when no significant uncertainties exist regarding their ultimate collection.

Overhead expenses representing indirect costs that cannot be directly aligned with the jobs, are distributed over the various contracts on a pro-rata basis.

Sale of Goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the customers, which generally coincides with delivery. Sales are net of taxes, returns, claims, trade discounts etc.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date.

l) Foreign currency translations

Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Notes to the Financial Statement as at and for the year ended 31st March 2016

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange Differences

Exchange differences, in respect of accounting periods commencing from 1st April 2011, arising on reporting of long-term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to the acquisition of a depreciable capital asset, are added to or deducted from the cost of the asset and are depreciated over the balance life of the asset, and in other cases, such exchange differences are accumulated in a "Foreign Currency Monetary Items Translation Difference Account" and amortised over the balance period of such long-term asset / liability.

Exchange differences arising on the settlement or reporting of monetary items, not covered above, at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, are recognized as income or expenses in the period in which they arise.

Derivatives Instruments

As per ICAI announcement, accounting for derivative contracts, other than those covered under AS-11, are marked to market on a portfolio basis, and the net loss after considering the offsetting effect on the underlying hedge item is charged to the statement of profit and loss. Net gains are ignored.

Translation of Integral foreign operations

The financial statements of an integral foreign operation are translated as if the transactions of the foreign operation have been those of the Company itself.

m) Retirement and other employee benefits

Retirement benefits in the form of Provident Fund is a defined contribution scheme. The Company recognizes contribution payable to provident fund scheme as an expenditure on rendering of related service by employees. There are no obligations other than the contribution payable to the fund. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset.

Gratuity (funded) being defined benefit obligation and long term compensated absences (unfunded) are provided for based on actuarial valuation made at the end of each financial year using the projected unit credit method.

Actuarial gain and losses are recognized immediately in the Statement of Profit and Loss as income or expenses.

n) Income Taxes

Tax expense comprises current and deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realized against future taxable profits.

Notes to the Financial Statement as at and for the year ended 31st March 2016

The carrying amounts of deferred tax assets are reviewed at each Balance Sheet date. The Company writes down the carrying amount of the deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax assets can be realized. Any such write down is reversed to the extent it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

o) Segment Reporting

Identification of Segments

The Company has identified that its business segments are the primary segments. The Company's businesses are organized and managed separately according to the nature of activity, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Inter segment Transfers

The Company generally accounts for inter segment sales and transfers as if the sales or transfers were to third parties at current market prices.

Allocation of common costs

Common allocable costs are allocated to each segment on case to case basis applying the ratio, appropriate to each relevant case. Unallocated items include income and expenses relating to the enterprise as a whole and not allocable to segment on a reasonable basis.

Segment Policies

The accounting policies adopted for segment reporting are in line with those of the Company.

p) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q) Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions made in terms of Accounting Standard 29 are not discounted to their present value and are determined based on management estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and appropriately adjusted to reflect the current management estimates.

r) Cash and Cash Equivalents

Cash and cash equivalents as indicated in the Cash Flow Statement comprises cash at bank and on hand and short-term investments with an original maturity of three months or less.

s) Accounting for interests in joint ventures

In respect of joint ventures entered into with other parties in the form of 'integrated joint ventures', the accounting treatment is done as below in terms of Accounting Standard 27.

Notes to the Financial Statement as at and for the year ended 31st March 2016

- (i) Company's share in profits and losses is accounted for on determination of profits or losses by the Joint Ventures
- (ii) Investments are carried at cost, net of the Company's share of profits or losses, recognized in the accounts.

t) Measurement of EBITDA

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the Company has elected to present earnings before interest, tax expenses, depreciation and amortization expenses (EBITDA) as a separate line item on the face of the statement of profit and loss. The Company measures EBITDA on the basis of profit from continuing operations. In its measurement, the Company does not include depreciation and amortization expenses, interest income, finance costs and tax expenses.

u) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

v) Corporate social responsibility (CSR) expenditure

The Company has charged its CSR expenditure during the year to the Statement of Profit and Loss.

Notes to the Financial Statement as at and for the year ended 31st March 2016

	3,601.42	3,909.38

Notes to the Financial Statement as at and for the year ended 31st March 2016

27. (A) Contingent liabilities not provided for in respect of:

Particulars	(₹ in lacs)	
	As at 31 st March, 2016	As at 31 st March, 2015
(i) Corporate guarantee given for a subsidiary	1,456.49	2,404.53
(ii) Disputed central excise and service tax demands under appeal :		
(a) Demand on account of Modvat Credit disallowed for subsequent endorsement of third party invoice in favour of the Company. The Company has filed an appeal before the Appellate Authority against such demand which is pending hearing.	92.16	92.16
(b) Others	4.32	12.01
(iii) Disputed VAT / CST demand under appeal :		
Various demands on account of disallowances of export sales, labour and supervision charges, Works Contract Tax, etc. from taxable contractual transfer price and disallowance of Input VAT on purchases, stock transfer to branch etc. The Company has filed appeals before the Appellate Authorities against such demands which are pending hearing.	1,068.03	1,052.10
(iv) Claims against the Company not acknowledged as debts	-	24.39

(B) In an earlier year, the Company had formed a special purpose vehicle (SPV) in form of a subsidiary (Jogbani Highway Private Limited) for execution of a BOT contract awarded by a customer. The subsidiary had entered into a concession agreement with the customer and had awarded an EPC contract to the Company. In an earlier year, the subsidiary had terminated the concession agreement with the customer and had gone into arbitration mainly due to required land not being made available by the customer, resulting in termination of the EPC contract awarded to the Company. The Company is carrying net assets of ₹ 1,922.06 lacs (31st March 2015 : ₹ 1,866.83 lacs) including investments of ₹ 597.00 lacs (31st March 2015 : ₹ 597.00 lacs) as on the Balance Sheet date pertaining to the above project. Since the matter has been referred to arbitration, the recoverability of the aforesaid net assets of the Company is subject to outcome of the said arbitration. The Management believes that the outcome of the arbitration shall result in recovery of the said cost on the facts of the case and as per the terms and conditions of the said concession agreement and accordingly no provision is considered necessary in the financial statements.

(C) During earlier years, the Company had significantly completed execution of certain construction contracts under the terms of agreements with some government departments. Unbilled revenue, accrued price escalations and trade receivables aggregating ₹ 3,530.33 lacs (31st March 2015 : ₹ 3,645.91 lacs), included in other current assets and current trade receivables, are yet to be received by the Company in respect of such contracts due to paucity of funds available with those customers. Based on regular follow ups with those customers, management is confident that the aforesaid amount is fully recoverable.

28. Capital and other commitments

Particulars	(₹ in lacs)	
	As at 31 st March, 2016	As at 31 st March, 2015
Estimated amount of contracts remaining to be executed on Capital Account and not provided for (net of advances)	722.68	21.99

Notes to the Financial Statement as at and for the year ended 31st March 2016

- 29.(a) The Company had introduced an Employee Stock Option Plan (ESOP) in the name and style of GPT Employee Stock Option Plan-2009 (ESOP scheme) in the year 2009 - 10. On the basis of such scheme, 200,000 equity shares of the Company were allotted to an Employees' Welfare Trust namely GPT Employees' Welfare Trust ("the trust") on 2nd January 2010. In the previous year, the Nomination and Remuneration Committee approved the proposal for grant of options under the aforesaid scheme to the eligible employees of the Company for the 200,000 shares. None of the grantees / eligible employees accepted the grant within the prescribed acceptance period. Under the circumstances, the Board, as recommended by the Nomination and Remuneration Committee dissolved the said ESOP Scheme.
- (b) Further, the Company had given ₹ 200.00 lacs during 2009 - 10 by way of interest free loan to M/s. GPT Employees Welfare Trust. The Trust has refunded ₹2.00 lacs (31st March 2015 : ₹2.00 lacs) to the Company during the year which has been considered as an adjustment to securities premium account. The Trust can sell the shares held by it in the secondary market through stock exchange and the sale proceeds so generated can be utilised for the repayment of the outstanding loan granted by the Company to the Trust and the balance fund can be utilised for the general employee's benefit as stated in the GPT Employees Welfare Trust Deed. As per Guidance Note on Accounting for Employee Share based Payments issued by the Institute of Chartered Accountants of India, the above loan has been adjusted to the extent of ₹ 20.00 lacs (31st March 2015 : ₹ 20.00 lacs) in equity share capital and balance ₹ 164.70 lacs (31st March 2015 : ₹ 166.70 lacs) in the securities premium account.
30. Basis for calculation of Basic and Diluted Earnings per Share (EPS) is as follows:

Particulars	2015-16	2014-15
Profit after tax as per Statement of Profit and Loss (₹ in lacs)	984.30	108.05
Weighted average number of equity shares for calculating basic and diluted EPS (Nos.)	14,343,000	14,343,000
Basic and diluted EPS (₹)	6.86	0.75

31. Segment information

Business segment

The business segments have been identified on the basis of the activities undertaken by the Company. Accordingly, the Company has identified the following segments:

Concrete Sleepers and Allied

Consists of manufacturing of concrete sleepers, supply of plant & machinery and components for manufacturing of concrete sleepers.

Infrastructure

Consists of execution of construction contracts and other infrastructure activities.

Others

Consists of miscellaneous business comprising less than 10% revenue on individual basis.

Geographical segment

The Company primarily operates in India and therefore the analysis of geographical segment is demarcated into Domestic and Overseas operations.

Notes to the Financial Statement as at and for the year ended 31st March 2016

INDEPENDENT AUDITOR'S REPORT

To
The Members of
GPT Infraprojects Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of GPT Infraprojects Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and joint controlled entities, comprising the consolidated Balance Sheet as at March 31, 2016, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and joint controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and joint controlled entities for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph (a) and (b) of the Other Matters below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis for qualified opinion

Attention is invited to note 27(C) to the consolidated financial statements regarding unbilled revenue, accrued price escalations and trade receivables aggregating ₹3,530.33 lacs, all classified by management as current, pertaining to certain significantly completed construction contracts which are yet to be billed/

realised by the Group and that are largely outstanding for more than 3 years. Due to the uncertainties over the eventual billings / collections of the said amounts, we are unable to comment on the appropriateness or otherwise of the aforesaid balances being carried forward or their classification as current in these consolidated financial statements including the extent of recoverability of the above asset balances and any other consequential impact that may arise in this regard.

Qualified opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of consolidated state of affairs of the Group and jointly controlled entities as at March 31, 2016, of their consolidated profit and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

Without qualifying our opinion, attention is drawn to note no. 27(B) of the consolidated financial statements regarding discontinuation of execution of an EPC contract by the Group pursuant to the termination of a concession agreement with a customer and the uncertainty on recoverability of net assets aggregating ₹2,038.35 lacs as at March 31, 2016.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, to the extent applicable, we report that:

- (a) We / the other auditors whose reports we have relied upon, have sought and except for the matter described in Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- (b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, in our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Holding Company so far as appears from our examination of

those books and the reports of the other auditors;

- (c) The reports on the accounts of the branch offices of the Holding Company, audited under Section 143 (8) of the Act by branch auditors have been sent to us and have been properly dealt with in preparing this report.
- (d) The consolidated Balance Sheet, consolidated Statement of Profit and Loss, and consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (e) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (f) The matter described in the Basis for Qualified Opinion and Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Group;
- (g) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2006 taken on record by the Board of Directors of the Holding Company and the reports of the auditors appointed under Section 139 of the Act, for its subsidiary companies incorporated in India, none of the directors of the Group's companies incorporated in India is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (h) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above;
 - (a) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Holding Company and its subsidiary companies incorporated in India, refer to our separate report in "Annexure 1" to this report;

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on consolidated financial position of the Group and jointly controlled entities – Refer Note 27(A) and 27(B) to the consolidated financial statements;
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiaries incorporated in India.

Other Matter

- (a) We did not audit total assets of aggregating ₹560.17 lacs as at March 31, 2016 and loss before tax aggregating ₹326.82 lacs for the year then ended, included in the accompanying consolidated financial statements in respect of a foreign project site not visited by us, whose financial statements and other financial information have been audited by another auditor and whose report has been furnished to us. Our opinion, in so far as it relates to the affairs of such foreign project site is based solely on the report of another auditor.

- (b) We did not audit assets aggregating ₹ 14,343.18 lacs as at March 31, 2016, profit before taxes aggregating ₹786.96 lacs and revenues aggregating ₹ 17,467.85 lacs for the year then ended, included in the accompanying consolidated financial statements in respect of subsidiaries, and jointly controlled entities, whose financial statements and other financial information have been audited by other auditors and whose reports have been furnished to us. Our opinion on the consolidated financial statements, in so far as it relates to the aforesaid amounts and disclosures included in respect of such subsidiaries and jointly controlled entities and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and jointly controlled entities, is based solely on the reports of such other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Annexure 1 to the Independent Auditor's Report of even date on the Consolidated Financial Statements of GPT Infraprojects Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of GPT Infraprojects Limited as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of GPT Infraprojects Limited (hereinafter referred to as the "Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about

whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on the report issued by other auditors on internal financial controls system over financial reporting in case of subsidiary companies which are companies incorporated in India, the following material weaknesses have been identified as at March 31, 2016:

- a) The Holding Company's internal financial controls for evaluation of recoverability of unbilled revenue, accrued price escalations and trade receivables on significantly completed construction contracts were not operating effectively as on March 31, 2016, which could potentially result in the Company not recognising appropriate provision in the consolidated financial statements in respect of receivables that are doubtful of recovery.
- b) The Holding Company's internal financial controls for classification of unbilled revenue, accrued price escalations and trade receivables on significantly completed construction contracts as current were not operating effectively as on March 31, 2016, which could potentially result in the Company not appropriately classifying the above receivables as non-current.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the holding company's annual or interim consolidated financial statements will not be prevented or detected on a timely basis.

In our opinion, the Holding Company and its subsidiary companies which are companies incorporated in India, have, in all material respects, maintained adequate internal financial controls over financial reporting as at March 31, 2016, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the internal financial controls over financial reporting were operating effectively in the Holding Company and its subsidiary companies which are companies incorporated in India as of March 31, 2016.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to two subsidiary companies which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, the consolidated financial statements of the Holding Company, which comprise the Consolidated Balance Sheet as at March 31, 2016, and the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated May 25, 2016 expressed a qualified opinion thereon.

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

1. Group Information

GPT Infraprojects Limited (the Company) is a listed public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company along with its four subsidiaries and thirty joint ventures (collectively referred as the Group) operates in (a) execution of construction contracts and other infrastructure activities and (b) manufacture and supply of concrete sleepers.

2. Summary of Significant accounting policies

a) Principles of Consolidation

The consolidated financial statements which relate to GPT Infraprojects Limited, (the Company) and its subsidiaries and Joint Ventures (the 'Group') have been prepared in accordance with the applicable Accounting Standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014:

- i. In terms of Accounting Standard 21 – 'Consolidated Financial Statements', the financial statements of the Company and its Subsidiaries are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenditure, after fully eliminating intra-group balances, intra-group transactions and any unrealized profit / loss included therein.
- ii. The difference of the cost to the Company of its investment in subsidiaries over its proportionate share in the equity of the respective investee companies as at the date of acquisition of stake is recognized in the financial statements as Goodwill or Capital Reserve, as the case may be.
- iii. The subsidiary companies considered in the financial statements are as follows:

Name of the Subsidiary	Country of Incorporation	Proportion of Ownership Interest	
		31 st March 2016	31 st March 2015
GPT Investments Private Limited, Mauritius	Mauritius	100.00%	100.00%
GPT Concrete Products South Africa (Pty) Limited	South Africa	69.00%	69.00%
Jogbani Highway Private Limited	India	73.33%	73.33%
Superfine Vanijya Private Limited	India	100.00%	100.00%

- iv. Minorities' interest in net profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income in order to arrive at the net income attributable to the shareholder's of the Company. Their share of net assets has been identified and presented in the Consolidated Balance Sheet separately.
- v. In terms of Accounting Standard (AS) 27 'Financial Reporting of Interests in Joint Venture' notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014, the Company's proportionate interests in the Joint Ventures are consolidated as separate line items in the financial statements along with the book values of assets, liabilities, income and expenses, after eliminating intra-group balances / transactions and unrealized profit and losses resulting from the transactions between the Company and the joint ventures.

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

vii. The consolidated financial statements have been prepared using uniform accounting policies for like transactions and events in similar circumstances and necessary adjustments required for deviation in accounting policies, if any and to the extent possible, are made in the consolidated financial statements and are presented in the same manner to the extent possible as the Company's separate financial statements.

b) Basis of preparation of Accounts

The financial statements have been prepared to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on an accrual basis, except for insurance and other claims which are accounted for on acceptance / actual receipt basis. The accounting policies adopted in the preparation of financial statements are consistent with those used in the previous year.

c) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods.

d) Tangible Fixed Assets

Tangible Fixed assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. The cost of acquisition comprises purchase price inclusive of duties (net of CENVAT / VAT), taxes, directly attributable incidental expenses, erection / commissioning expenses, borrowing cost if capitalization criteria are met, etc. incurred upto the date the asset is ready for its intended use.

Machinery Spares which can be used only in connection with a particular item of Fixed Assets and whose use, as per the technical assessment, is expected to be irregular are capitalized and depreciated proportionately over the residual life of the respective assets.

Gain or losses arising from derecognition of tangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss when the assets are derecognized.

From accounting periods commencing on or after 1st April, 2011, the Group adjusts exchange differences arising on translation / settlement of long-term foreign currency monetary items pertaining to the acquisition of a depreciable asset to the cost of the asset and depreciates the same over the remaining life of the asset.

e. Intangible Fixed Assets

Intangible assets are carried at cost of acquisition less accumulated amortization and impairment losses, if any. The Cost of acquisition comprises purchase price inclusive of duties (net of CENVAT / VAT), taxes, etc.

Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Gain or losses arising from derecognition of intangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss when the assets are derecognized.

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

f. Depreciation & Amortization

Tangible Fixed Assets

- i. The classification of Plant and Machinery into continuous and non-continuous process is done as per technical certification and depreciation thereon is provided accordingly.
- ii. Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management which is in line with the useful lives as specified in Schedule II to the Companies Act, 2013, except for Steel Shutterings which are depreciated over a period of five years from the year of addition based on management's technical evaluation.
- iii. Depreciation on Fixed Assets of certain Joint Ventures are provided using written down value method as per the depreciation rates estimated by the management as given below:

Sl. No.	Type of Assets	Rates (WDV) %	Useful life of Assets as per Schedule II
1.	Building	10.00%	30 years
2.	Plant and Equipments	15.00%	15 years
3.	Furniture and Fixture	10.00%	10 years
4.	Computer and Office Equipments	60.00% & 15.00%	3 – 6 years
5.	Vehicles and Trollies	15.00% & 20.00%	8 – 10 years

- iv. Depreciation in respect of foreign subsidiaries and a joint venture is provided on straight line method as per the useful lives of the assets estimated by the management which are as follows:

Sl. No.	Type of Assets	Rates as per useful lives estimated by the management %	Useful life of Assets as per Schedule II
1.	Building	12.50% & 20.00%	30 – 60 years
2.	Plant and Equipments	12.50% & 20.00%	15 years
3.	Furniture and Fixture	12.50% & 20.00%	10 years
4.	Computer and Office Equipments	12.50% & 20.00%	3 – 6 years
5.	Vehicles and Trollies	20.00%	8 – 10 years

- v. Depreciation on Insurance Spares / standby equipments is provided over the useful lives of the respective mother assets.
- vi. Depreciation on fixed assets added / disposed off during the year, is provided on pro-rata basis with reference to the date of addition / disposal.

Intangible Fixed Assets

- i. Computer softwares are amortized on a straight line basis over their useful life of 3 years.
- ii. Goodwill arising on consolidation is stated at cost and impairment, if any, is recognized.

g. Impairment of tangible and intangible fixed assets

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which is the greater of the asset's net selling price and value in use. In assessing the value in use, the

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets.

h. Leases

Finance Leases, which effectively transfer to the Group, substantially, all the risks and benefits incidental to the ownership of the leased items, are capitalized at the lower of the fair value and present value of the minimum lease payment at the inception of lease term and disclosed as leased assets.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

i. Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

j. Inventories

- i. Closing stock of stores and spares and raw materials (except for those relating to construction activities) are valued at lower of cost computed on 'Weighted Average' basis and net realizable value. However, materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes expenses incidental to procurement thereof.
- ii. Finished goods and work in progress (except for those relating to construction activities) are valued at the lower of cost (computed on weighted average basis) and net realizable value. Costs in respect of finished goods include direct material, labour and an appropriate portion of overhead costs and excise duty.
- iii. Construction work in progress is valued at cost.
- iv. Stores, components, etc. and construction materials at sites to be used in contracts are valued at cost which is ascertained on 'Weighted Average' basis.
- v. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

k. Revenue recognition

i. Construction contracts

Revenue on construction contracts is recognized on percentage completion method based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bears to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies, which being technical matters have been relied upon by the auditors. Revisions in projected profit or loss arising from change in estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements as the effect thereof cannot be accurately determined.

Variations in contract work are recognized to the extent that it is probable that they will result in revenue and are capable of reliably measured.

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

Revenue from the Company's entitlement to price variances on input costs subject to compliance with certain terms and conditions as per terms of the contracts are recognized when no significant uncertainties exists regarding their ultimate collection.

Overhead expenses representing indirect costs that cannot be directly aligned with the jobs, are distributed over the various contracts on a pro-rata basis.

ii. Sale of Goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the customers, which generally coincides with delivery. Sales are net of taxes, returns, claims, trade discounts etc.

iii. Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

I. Foreign currency translations

Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange Differences

Exchange differences, in respect of accounting periods commencing from 1st April 2011, arising on reporting of long-term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to the acquisition of a depreciable capital asset, are added to or deducted from the cost of the asset and are depreciated over the balance life of the asset, and in other cases, such exchange differences are accumulated in a "Foreign Currency Monetary Items Translation Difference Account" and amortised over the balance period of such long-term asset / liability.

Exchange differences arising on the settlement or reporting of monetary items, not covered above, at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, are recognized as income or expenses in the period in which they arise.

Derivatives Instruments

As per ICAI announcement, accounting for derivative contracts, other than those covered under AS-11, are marked to market on a portfolio basis, and the net loss after considering the offsetting effect on the underlying hedge item is charged to the statement of profit and loss. Net gains are ignored.

Translation of Integral and Non-integral foreign operations

The financial statements of an integral foreign operation are translated as if the transactions of the foreign operation have been those of the Company itself.

In translating the financial statements of a non-integral foreign operation the assets and liabilities, both monetary and non-monetary, are translated at the closing rate, while income and expense items are translated at exchange rates at the dates of the transactions. All the resulting exchange differences are accumulated in a foreign currency translation reserve until the disposal of the net investment.

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

On the disposal of a non-integral foreign operation, the cumulative amount of the exchange differences which have been deferred and which relate to that operation are recognized as income or as expenses in the same period in which the gain or loss on disposal is recognized.

When there is a change in the classification of a foreign operation, the translation procedures applicable to the revised classification are applied from the date of the change in the classification.

m. Retirement and other employee benefits

Retirement benefits in the form of Provident Fund is a defined contribution scheme. The Group recognizes contribution payable to provident fund scheme as an expenditure on rendering of related service by employees. There are no obligations other than the contribution payable to the fund. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset.

Gratuity (funded) being defined benefit obligation and long term compensated absences (unfunded) are provided for based on actuarial valuation made at the end of each financial year using the projected unit credit method.

Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss as income or expenses.

n. Income Taxes:

Tax expense comprises current and deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realized against future taxable profits.

The carrying amounts of deferred tax assets are reviewed at each Balance Sheet date. The Group writes down the carrying amount of the deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax assets can be realized. Any such write down is reversed to the extent it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

o. Segment Reporting

Identification of Segments

The Group has identified that its business segments are the primary segments. The Group's businesses are organized and managed separately according to the nature of activity, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

Inter segment Transfers

The Group generally accounts for intersegment sales and transfers as if the sales or transfers were to third parties at current market prices.

Allocation of common costs

Common allocable costs are allocated to each segment on case to case basis applying the ratio, appropriate to each

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

relevant case. Unallocated items include income and expenses relating to the enterprise as a whole and are not allocable to segment on a reasonable basis.

Segment Policies

The accounting policies adopted for segment reporting are in line with those of the Group.

p. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q. Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions made in terms of Accounting Standard 29 are not discounted to their present value and are determined based on management estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and appropriately adjusted to reflect the current management estimates.

r. Cash and Cash Equivalents

Cash and cash equivalents as indicated in the Cash Flow Statement comprises cash at bank and on hand and short-term investments with an original maturity of three months or less.

s. Measurement of EBITDA

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the Group has elected to present earnings before interest, tax expenses, depreciation and amortization expenses (EBITDA) as a separate line item on the face of the statement of profit and loss. The Group measures EBITDA on the basis of profit from continuing operations. In its measurement, the Group does not include depreciation and amortization expenses, interest income, finance costs and tax expenses.

t. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

u. Corporate social responsibility (CSR) expenditure

The Group has charged its CSR expenditure during the year to the Statement of Profit and Loss.

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

3. Share Capital

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

27. (A) Contingent liabilities not provided for in respect of:

(₹ in lacs)

Sl. No.	Particulars	As at 31 st March 2016	As at 31 st March 2015
(i)	Disputed central excise and service tax demands under appeal:		
	(a) Demand on account of Modvat Credit disallowed for subsequent endorsement of third party invoice in favour of the Company. The Company has filed an appeal before the Appellate Authority against such demand which is pending hearing.	92.16	92.16
	(b) Others	4.32	12.01
(ii)	Disputed VAT / CST demand under appeal : Demand on account of disallowances of export sales, labour and supervision charges, Works Contract Tax, etc. from taxable contractual transfer price and disallowance of Input VAT on purchases, stock transfer to branch etc. The Company has filed appeals before the Appellate Authorities against such demands which are pending hearing.	1,068.03	1,052.10
(iii)	Claims against the Company not acknowledged as debts	-	24.39

Note: Proportionate Share of Joint Ventures in contingent liabilities not provided for ₹ Nil (31st March 2015 : ₹ Nil)

(B) In an earlier year, the Company had formed a special purpose vehicle (SPV) in form of a subsidiary (Jogbani Highway Private Limited) for execution of a BOT contract awarded by a customer. The subsidiary had entered into a concession agreement with the customer and had awarded an EPC contract to the Company. In an earlier year, the subsidiary had terminated the concession agreement with the customer and had gone into arbitration mainly due to required land not being made available by the customer, resulting in termination of the EPC contract awarded to the Company. The Group is carrying net assets of ₹ 2,038.35 lacs (31st March 2015 : ₹ 1,983.12 lacs) as on the Balance Sheet date (Included under loans and advances and other assets) pertaining to the above project. Since the matter has been referred to arbitration, the recoverability of the aforesaid net assets of the Group is subject to outcome of the said arbitration. The Management believes that the outcome of the arbitration shall result in recovery of the said cost on the facts of the case and as per the terms and conditions of the said concession agreement and accordingly no provision is considered necessary in the financial statements.

(C) During earlier years, the Company had significantly completed execution of certain construction contracts under the terms of agreements with some government departments. Unbilled revenue, accrued price escalations and trade receivables aggregating ₹ 3,530.33 lacs (31st March 2015 : ₹ 3,645.91 lacs), included in other current assets and trade receivables, are yet to be received by the Company in respect of such contracts due to paucity of funds available with those customers. Based on regular follow ups with those customers, management is confident that the aforesaid amount is fully recoverable.

28. Capital and other commitments

(₹ in lacs)

Particulars	As at 31 st March 2016	As at 31 st March 2015
Estimated amount of contracts remaining to be executed on Capital Account and not provided for (net of advances) [Includes proportionate share in Joint Venture ₹ 13.71 lacs (31 st March 2015 : ₹ Nil)]	736.39	21.99

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

- 29.(a) The Company had introduced an Employee Stock Option Plan (ESOP) in the name and style of GPT Employee Stock Option Plan - 2009 (ESOP scheme) in the year 2009 - 10. On the basis of such scheme, 200,000 equity shares of the Company were allotted to an Employees' Welfare Trust namely GPT Employees' Welfare Trust ("the trust") on 2nd January 2010. In the previous year, the Nomination and Remuneration Committee approved the proposal for grant of options under the aforesaid scheme to the eligible employees of the Company for the 200,000 shares. None of the grantees / eligible employees accepted the grant within the prescribed acceptance period. Under the circumstances, the Board, as recommended by the Nomination and Remuneration Committee dissolved the said ESOP Scheme.
- (b) Further, the Company had given ₹ 200.00 lacs during 2009 - 10 by way of interest free loan to M/s. GPT Employees Welfare Trust. The Trust has refunded ₹ 2.00 lacs (31st March 2015 : ₹ 2.00 lacs) to the Company during the year which has been considered as an adjustment to securities premium account. The Trust can sell the shares held by it in the secondary market through stock exchange and the sale proceeds so generated can be utilised for the repayment of the outstanding loan granted by the Company to the Trust and the balance fund can be utilised for the general employees benefit as stated in the GPT Employees Welfare Trust Deed. As per Guidance Note on Accounting for Employee Share based Payments issued by the Institute of Chartered Accountants of India, the above loan has been adjusted to the extent of ₹ 20.00 lacs (31st March 2015 : ₹ 20.00 lacs) in equity share capital and balance ₹ 164.70 lacs (31st March 2015 : ₹ 166.70 lacs) in the securities premium account.

30. Basis for calculation of Basic and Diluted Earnings per Share (EPS) is as follows:

Particulars	(₹ in lacs except per share data)	
	2015 - 16	2014 - 15
Profit after tax as per Statement of profit & loss (₹ in lacs)	1,282.21	409.91
Weighted average number of equity shares for calculating basic and diluted EPS (Nos.)	14,343,000	14,343,000
Basic and diluted EPS (₹)	8.94	2.86

31. Segment information

Business segment

The business segments have been identified on the basis of the activities undertaken by the Group. Accordingly, the Group has identified the following segments:

Concrete Sleepers and Allied

Consists of manufacturing of concrete sleepers, supply of plant & machinery and components for manufacturing of concrete sleepers.

Infrastructure

Consists of execution of construction contracts and other infrastructure activities.

Others

Consists of miscellaneous business comprising less than 10% revenue on individual basis.

Geographical segment

The analysis of geographical segment is demarcated into Domestic and Overseas operation.

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

	2016	2015	2014	2013	2012
Defined value of obligations at the end of the year	277.31	244.43	189.54	158.26	136.39
Plan Assets at the end of the period	86.53	92.77	97.59	92.61	91.17
Deficit	(190.78)	(151.66)	(91.95)	(65.65)	(45.22)
Experience (Gain) / Loss on Plan Liabilities	18.38	28.84	(3.27)	(19.93)	20.42
Experience Gain / (Loss) on Plan Assets	(6.24)	5.44	0.75	(4.55)	0.10

The Management has relied on the overall actuarial valuation conducted by the actuary.

The Group expects to contribute ₹ 61.64 lacs (31st March 2015 : ₹ 63.55 lacs) in the year 2016 – 17.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

Notes:

The estimates of future salary increase considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(b) Amount incurred as expense for defined contribution plans

(₹ in lacs)

Particulars	2015 - 16	2014 - 15
Contribution to Provident Fund	64.39	50.57

35. The Group has operating leases for office and other premises that are renewable on a periodic basis and are cancelable by giving a notice period ranging from one month to three months. The amount of rent expenses included in statement of profit and loss towards operating leases aggregate to ₹ 333.87 lacs (31st March 2015 : ₹ 255.62 lacs).

36. Pursuant to the clarification issued by the Ministry of Corporate Affairs vide its circular no. 25/2012 dated 9th August, 2012 on para 46A of the notification number G.S.R.914 (E) dated 29th December, 2011 on Accounting Standard 11 relating to "The Effects of Changes in Foreign Exchange Rates", the Company has w.e.f. 1st April 2012 added exchange difference of ₹ 134.66 lacs (including reversal of ₹ 2.88 lacs due to exchange gain during the year) to the cost of fixed assets.

Notes to the Consolidated Financial Statement as at and for the year ended 31st March 2016

37. Additional information as required under Schedule III to the Companies Act, 2013, of enterprises consolidated as Subsidiary / Associates / Joint Ventures.
