| S. No. | PARTICULARS | |
|---|---|---|
| a. | Name of the target entity, details in brief such as size, turnover etc. | Alcon Builders and Engineers Private Limited (“Alcon” or the “Target Company”) is an established and respected Signaling EPC contractor, with over three decades of proven execution experience in the Indian Railways ecosystem. Alcon is engaged in the business of signalling, telecommunication and allied works for Indian Railways.<br>Turnover (2024-2025): INR 10,020 Lakhs. |
| b. | Whether the acquisition would fall within related party transaction(s) and whether the promoter/ promoter group/ group companies have any interest in the entity being acquired? If yes, nature of interest and details thereof and whether the same is done at “arm’s length”. | The proposed acquisition does not fall within the purview of the Related Party Transaction and the promoter/promoter group/group companies are not interested in the entity being acquired. |
| c. | Industry to which the entity being acquired belongs. | EPC for Signalling, telecommunication and allied works for Indian Railways |
| d. | Objects and impact of acquisition (including but not limited to, disclosure of reasons for acquisition of target entity, if its business is outside the main line of business of the listed entity). | Through this acquisition, GPT Infraprojects Limited (“GPT”) will enter into the high-margin signaling EPC segment, complementing GPT’s over 40-year relationship with Indian Railways.<br>This would enable the Company to augment its product offerings, strengthen its market presence, and accelerate entry into the said business segment. The intent of the acquisition is obtaining management and operational control over Alcon Builders & Engineers Private Limited, and with a strategic intent to subsequently integrate the businesses of Alcon with those of the Company, in order to realise operational and commercial synergies and enhance long-term value for all stakeholders.<br>With GPT’s operational governance and capital discipline applied to Alcon’s pre-qualified platform, the signaling division is expected to develop into a major revenue and margin contributor, materially strengthening GPT’s overall |
